History of Host Churches

SPENCER

The Spencer Baptist Church was organized April 18, 1926, with approximately two hundred charter members. The first building for worship was erected in 1928.

Spencer Church has been evangelistic throughout its history. Since its organization through 1965, 1,693 people have been added to the church fellowship through baptism alone. Thirty-nine, or more, people have gone into full time Christian service from this church since its organization, and $860,377 has been given to and through its ministries for the Kingdom work.

Pastors who have served the church since its organization have been: M. W. Huntley, J. A. Brock, Joe Parsons, C. C. Matheny, Felix R. Wagoner; W. F. Woodall and the present pastor, A. B. Bumgarner, who came to the church in November, 1960.

In the early forties the church plant was enlarged by the addition of twenty new Sunday School rooms, and by the renovation of the sanctuary increasing its seating capacity to 500 people. In 1952 a recreation building with kitchen facilities was erected to serve the needs of the growing church. In 1954 a new Educational building was constructed with a seating capacity of 300 people.

Within the last few years a new, modern Educational plant has been added to the present building, replacing the old one which had become inadequate for the present needs of the rapidly growing church .

BETHEL

Bethel Baptist Church was organized in 1847 in Ellenboro, N. C., with nineteen charter members. The original building was constructed of logs. In 1881 the log building was replaced with a frame building.

Bethel church was originally a member of the Broad River Association, but later transferred its membership to the Kings Mountain Association. In 1890 the Sandy Run Association was organized in this church of which it is now a member, being one of the charter members of the Sandy Run Association.

The third house of worship, a brick building, was erected in 1921. This building served the needs of the congregation until 1958 when the present, modern building was erected including a modern Sunday School plant. This is one of the growing, progressive churches of the Sandy Run Association.

The following pastors have served the church through its long life of service to the Kingdom: Elder William Harrill, Dove Pannell, William McSwain, J. H. Yarboro, T. J. Campbell, J. J. Jones, A. A. McSwain, A. P. Hollifield, Z. D. Harrill, G. M. Webb, G. W. Rollins, B. M. Bridges, R. L. Limerick, B. M. Hamrick, D. J. Hunt, I. D. Harrill, C. L. Taylor, W. W. Davidson, C. F. Laughlin, Charles Hamrick, and the present pastor, Harold Brown.

RESOLUTIONS COMMITTEE REPORT

The Psalmist David, the epitome of gratitude and thankfulness, has said, "Oh, that men would praise the Lord for His Goodness and for His wonderful works to the Children of Men!"

Your resolutions committee would follow David's admonition and say in the beginning, "These are the days which the Lord hath made. We have rejoiced and been glad." Some reason for our rejoicing and gladness are:

(1) God's providence, mercy, leadership, guidance and blessings throughout the year and his power and presence at this Seventy-Seventh Annual Session;

(2) The Spiritual Education, Edification, Information, and Inspiration resulting from the program-planning and ALL of the capable and dedicated program participants;

(3) The generous Christian hospitality of Spencer, Adaville, Cane Creek, Mt. Lebanon, Sandy Level, Wilson, Bethel, Campfield Memorial,

Gantt's Grove, Piney Mountain and Race Path church members and their pastors, and their concentrated efforts for our physical well-being;

(4) The superb leadership and work of every officer, committee, pastor and lay member throughout the Sandy Run Association;

(5) The co-operation of the news media in their faithful publicity;

THEREFORE, as members of churches in the Sandy Run Association, we RESOLVE to "tune our hearts to sing God's praises," and daily try to remove self and enthrone Him in our lives that we might serve Him humbly and fervently.

Mrs. J. E. Cargill

AMERICAN BIBLE SOCIETY REPORT

1966 — "The Year of the Bible" — commemorates the American Bible Society's 150 years of service in supplying God's Word to the world. The Bible, which is our purpose for existence, is ageless. Its message is as relevant for today as it was in 1816, and the Society is convinced that it will continue to speak with power, persuasiveness and truth in the unfolding space age — in every age.

Since its founding the Society has carried forward a dynamic and effective program of translation, production and distribution of the Holy Scriptures.

1. TRANSLATION. At present, counsel, supervision and financial assistance are being given more than 3,000 translators in 150 countries in translating and revising the Scriptures into many of the world's languages and dialects. At least one complete Book of the Bible has now been translated into more than 1,250 languages and dialects.

2. PUBLICATION. Scriptures in unique sizes and formats are being produced here and overseas to meet varied needs and uses.

3. DISTRIBUTION. With special emphasis on Reading and Use. By sale and donation (with particular consideration for the blind and those in need of special ministry,) God's word is spread abroad through the Society's agencies and distributors, churches, Christian workers, missionaries, pastors, campus ministers and evangelists.

The Society's work is made possible solely by voluntary gifts from churches and individuals. The single purpose of the American Bible Society is to help in the sowing and sharing of God's word throughout the world.

Virgil Bailey

ASSOCIATIONAL BOARD REPORT

At the October 28 board meeting, the Committee on Committees, having divided the board members into the various committees, presented its report which was adopted. The calendar of activities for 1966 was adopted and a motion carried that it be mimeographed this year rather than printed.

It was voted that our request for aid from the State Convention this year be $500.00 rather than $900.00 and that we request the state office to hold this amount in reserve for us and we would request it only if we needed it with the hope that our churches would contribute sufficiently that we could become self-supporting.

The officers of the Brotherhood, Sunday School, and Training Union for 1965-66 were elected. These names appear on pages 11 and 12 of the 1965 Minutes.

A motion carried that the Church Counseling Committee with its duties be listed as committee number eight in our Constitution.

It was voted that the association would participate in the Age-Security Plan of the Convention for the secretary in the amount of 10% of her salary.

On January 13, the associational board met in its regular quarterly meeting. Rev. Audley Hamrick presented his resignation as Associational Sunday School Superintendent and a motion carried that his resignation be accepted.

A motion passed that the Finance Committee be in charge of getting the needed painting done at the Associational Parsonage and that they take whatever steps necessary to eliminate the flooding in the parsonage basement in case of heavy rains.

A motion carried that the Annual Session of our Association meet on Tuesday afternoon and evening and Wednesday morning closing with the noon meal.

It was voted that a camera with a flash attachment be purchased for the Associational Office and that slides be taken of special events in the churches to be shown at the Annual Session.

A motion carried that we dispense with the taking of an offering at the "M" Night Program.

At the April 25 board meeting the following recommendations from the Finance Committee was approved: That $1,000.00 of the bank balance be applied on the debt on the Associational Parsonage.

A motion carried that the finance committee be instructed to put the amount of $1,000.00 in the budget for the year 1966-67 for the South Mountain Camp.

Rev. James Estep, having accepted a pastorate in another association, offered his resignation as Associate Training Union Director, R. A. Leader, and Chairman of the State Missions Committee. His resignation was accepted.

On July 14, the Associational Board met and reports were heard from the various organizations. The Nominating Committee's report was presented by Z. W. Jolley and was adopted as follows: Sunday School Superintendent, Edgar Lineberger; Training Union Director, Tyler A. LeRoy; Brotherhood President, B. M. Strickland; WMU President, Mrs. James F. Marchman; Music Director, Malone Thomason; and Librarian, Mrs. Frank Willis.

The Treasurer's report was presented and a motion was made by Tyler LeRoy and seconded by Albert Hastings that the Treasurer's report be mailed out with the Associational Bulletin each quarter. This motion carried.

ASSOCIATIONAL BROTHERHOOD REPORT

The Brotherhood began in 1907 as the Laymen's Missionary Movement with the purposes of bringing men face to face with their religious obligations, to enlist them in the affairs of Christ's kingdom, and to stimulate them to a greater consecration to God in world-wide evangelism. "It urged men to pray daily, study diligently, plan wisely, serve zealously, and give generously that the kingdom of Christ might prosper . . ."

The program of the Brotherhood in North Carolina is designed to develop a strong missionary movement of Baptist laymen. A definite program of missionary education for men and boys is underway. Some of the Brotherhoods and RA's are already engaged in the enlistment of men and boys who are on the church roll to witness to the lost, to give of their time, talent, and possessions through the church.

We are glad to report some very worthwhile activities in the Brotherhood work in our association:

The RA's under the leadership of our associational leader, Rev. James Estep, have had a fine year. Last fall a RA Conclave was held at Chase High School. That afternoon the boys met on the play ground and

played ball. This activity was followed with a "hot dog" supper in the school cafeteria. At the close of the meal, a guest speaker showed slides and spoke to us.

The Associational Brotherhood held three very fine meetings this past year. The first meeting was at the Sandy Mush Church, the second at the Floyd's Creek Baptist Church, and the third at the Caroleen Baptist Church.

Respectfully submitted,
T. E. Poole

ASSOCIATIONAL MISSIONS REPORT

The associational missions work in the Sandy Run Association is mostly educational and promotional. However, much the association may be prepared to help the churches, it doesn't mean much without cooperation. That is apparent in much of the associational program. It has been evident in our Sunday School work, in our Training Union work, in our Brotherhood work, and in our simultaneous revivals.

However, there are some things that have been encouraging. Our associational WMU has been moving on vigorously. The associational deacons' school was fairly well attended. Thirty-two churches (just half the churches) were represented by 198 pastors and deacons the first night, and twenty-seven churches were represented by 137 pastors and deacons the second night. Also, the financial side of our program has been encouraging.

During the year our associational missionary has visited in 130 services, delivered 30 sermons and addresses, taught 28 Sunday School classes, presented pictures 19 times, helped ordain two preachers, helped conduct the VBS clinic for our association and one for the Gold Hill Association, attended four mornings each of Home Missions week and Sunday School week at Ridgecrest, helped plan the Gold Hill Associational Youth Week, attended 19 state and regional conventions, conferences, and clinics outside the association, published ten issues of associational bulletins and mailed 7,320 copies, mailed 9,912 letters and cards, and traveled 8,107 miles on the work.

The associational missionary would like to express his great appreciation for kindness, thoughtfulness, and consideration. He is grateful to you and the good Lord for the privilege of working with you another year. We are indeed indebted to the Florence Church for a nice associational office. We are most grateful to have a most excellent associational secretary and clerk, Miss Martha Jean McFarland. A word of appreciation to Mr. P. B. Price, our fine associational treasurer, is most appropriate. Likewise, we are so grateful to the officers of our associational organizations for their good help.

BAPTIST CHILDREN'S HOMES REPORT

Under the impact of the life, ministry and teachings of Christ and under the leadership of the Holy Spirit, North Carolina Baptists, eighty-one years ago launched a Christian ministry of child care. This has

grown considerably and is widely recognized for its qualities of service and pioneering spirit. Sons and daughters of the Children's Homes are scattered throughout the world. They are actively engaged in all walks of life and are making a significant contribution to the uplift of mankind as a result of their early Christian training made possible by North Carolina Baptists and other friends.

As we contiue to build upon foundations already laid, special attention is being given certain areas of child care. Prospects are encouraging for a home for children in the western part of the state more adequately to serve the needs of our people who live west of the Blue Ridge Mountains. Constant attention is being given to more effective ways of meeting the highly specialized needs of children coming out of broken and inadequate home situations.

We have a large number of good Christian homes for the care of foster children. More are needed in all sections of the state. Foster homes serve children of all ages and are of particular advantage for some who have special needs. Foster home parents may be of varying ages and circumstances in life. Couples with or without children of their own who have an abundance of love find this to be a challenging and rewarding opportunity of Christian service.

Sincere appreciation is expressed to all who have, in any way, helped to support our child care ministry. We are indeed grateful for increasing income through the Cooperative Program. Last year's Thanksgiving Offering is approaching three hundred fifteen thousand dollars ($315,000.00) and is the largest ever. Through estate planning and the making of Christian wills an increasing number of individuals and families are investing in present and future generations of boys and girls who are in need of the services of the Baptist Children's Homes. Roger Williams is devoting full time to working with our Baptist people in this area, and he or other members of the staff will be happy to assist anyone wishing to explore this field of Christian stewardship.

We covenant with you to face the future as we have the past and to offer Christian nurture to distressed children in the Name of the Lord Jesus Christ.

Respectfully submitted,
Robert F. Toney

BAPTIST FOUNDATION REPORT

This has been a good year in the Baptist Foundation work, and it is very encouraging to have the cooperation of the pastors in furnishing the names of individuals who may be interested in the Foundation; they have invited speakers from the Foundation to their churches on various occasions; many have given of their time in discussion, programs, and by various ways of helping to inform our fine people of North Carolina of the many blessings received from the work.

Assets of the Foundation have increased during the past year and at the last accounting, around December, the total assets of the Foundation had reached approximately one million dollars including our real estate. Many of our people are setting up memorial funds, trust agreements, annuity agreements, and are using other services provided by the Baptist Foundation. The Foundation is organized in such a manner that we

can visit any party who may be interested in participating in it. We covet the continued prayers for the work and hope that in the future you will make use of the facilities of the North Carolina Baptist Foundation.

BAPTIST HOSPITAL REPORT

Our Baptist Hospital and Medical School are a center of healing for body, mind and spirit, a center of training of medical personnel and Christian workers, and a center of scientific research for the advancement of medical care.

Without a vast amount of medical research, there would be no heart surgery today by which lives are saved in our Baptist Hospital almost every week; and the same would be true of almost every new method of treating us when we are sick. Without schools for the training of doctors, nurses, technicians and others, there soon would be no skilled persons in our hospitals or in our communities to care for us when illness comes. Without a staff of highly trained and experienced specialists and a vast amount of expensive specialized equipment, our Baptist Hospital could not offer the highly skilled medical care which is available to us when serious illness strikes and a fine medical center is needed. Another very important fact is that the skilled medical care of our Hospital is made available to people who need it and cannot pay for it. These important services are the work of our Medical Center in Winston-Salem.

The kind of medical care provided by our Hospital is very expensive, and the Hospital has no choice but to ask full payment of all who can pay. The Hospital has been spending in free care for our people far more than it receives from our Mother's Day Offerings, the Cooperative Program, and all welfare agencies combined. This has caused the Hospital to run into debt the past two years and the same has been happening this year. Of course, the Hospital simply cannot continue to operate this way. Medicare is not going to change the situation greatly.

It will be necessary for all our churches to prayerfully consider the needs of our Hospital and to seek the generous support of every Baptist for our Hospital.

Tyler A. LeRoy

CHRISTIAN EDUCATION REPORT

Education that is conceived and conducted in loyalty to Christ is Christian Education. It teaches that Jesus is the saviour of men and that His principles are the only hope for civilization. It seeks to infuse students with a passion to serve and not merely to acquire. Christian Education teaches that knowledge is necessary, but that the proper use of it is of far more value than "know-how." Baptists must answer the question, "Is this sort of education worth supporting?"

In this day of scientific advances of awe and shock it is even more important that all countries be reached and instructed in Jesus' way of salvation. We must literally teach them to "practice" everything He taught us to practice. This requires vigorous and constant Christian

teaching. It is possible now for one country out of harmony with Christ to destroy the rest of the world as we know it. The great discoveries now at the disposal of world powers may be used to obliterate us or to build a better world. The outcome of these instruments depend on the minds of the men who control them. It has become "Christ or chaos" in our generation. What ought we to do?

We believe that the answer is found in our willingness to "Teach all Nations" the principles of Jesus. In Christian Education the student not only receives instruction in the arts and sciences, but also receives training in Christian living. Here is where our schools and colleges may play an important role along with our homes and churches. With Christian homes, consecrated church leadership, devout school and college faculties, and Christ-centered emphasis throughout our Baptist life we may achieve this much-needed goal. Without Christian teachers and leaders, it is impossible to have Christian Education. We must support financially all of our schools and pray for God's guidance that we may have the Christian atmosphere necessary for Christian growth there. This should not be taken to mean that Baptists want inferior training, but that we want superior intellectual training with the emphasis on Christian living and service.

We all should devote enough time to Bible study and communion with God that we might develop the right relationship to ourselves, our fellowman, and to God. It is the duty and privilege of each Christian, each church, and each educational institution to take an active part in promoting and developing Christian Education at home and abroad.

E. K. Anderson

CHRISTIAN LITERATURE REPORT

Many important issues are facing North Carolina Baptists. Churches are making decisions on the Life and Work Curriculum, especially whether to use the Life and Work Sunday School lessons or the Uniform Lessons. For a period of at least six months, the RECORDER will run both lessons as a service to our churches.

In our state, changing conditions are raising serious questions about the fate of almost every institution we support. In the near future Baptists will have to decide our future course in higher education and in our Social Service institutions, especially in view of increased government participation in these areas. The RECORDER will present the issues and possible choices open to us.

In the Southern Baptist Convention, there is talk of a name change. The work of our Baptist colleges is being studied as never before. A great Crusade of the Americas is in the planning stages. All of us need to know about these developments.

A drive is taking shape in North Carolina for liquor-by-the-drink. The 1967 General Assembly will consider such proposals and Baptists need a dependable source of information so they can act when necessary. The RECORDER will give on-the-spot coverage.

Instead of merely receiving this as a report, please take definite action

to see that the RECORDER soon goes to every family in your church membership. All of us know that the RECORDER is just as important as other literature which our churches distribute, if not more so. No other publication can take the place of the BIBLICAL RECORDER.

In these inflationary times, it is refreshing to have something that is not out of reach financially. Under the Church Budget Plan, the RECORDER is available for $2 a year—the same price it was more than 100 years ago. Your church will be a stronger church with every family receiving our state paper each week. Don't delay this important decision, especially in view of the issues facing North Carolina Baptists in the coming year.

Troy Dellinger

CIVIC RIGHTEOUSNESS REPORT

(Christian Action League)

The traditional Baptist position in regard to alcoholic beverages is one of total abstinence. This position is expressed in the following excerpt from the Church Covenant: "We engage, therefor, . . . To abstain from the sale and use of intoxicating drinks as a beverage." This position is shared by many Christians of other denominations. The basis for it is found in the habit-forming destructiveness of beverage alcohol itself, and in various scriptural admonitions which include I Thessalonians 5:22, which says "abstain from every form of evil." Statistics on crime broken homes, ruined lives, automobile accidents, and a multitude of other tragedies due to the use of beverage alcohol adequately support our Baptist position in this controversial matter.

Once again, as messengers of this 1966 session of the Sandy Run Baptist Association, we affirm our settled belief that Christians should abstain from the sale and use of intoxicating drinks as a beverage. We urge Believers of all denominations to join with us in a positive program of Christian education in this area, designed to inform others of the inherent dangers of strong drink and to persuade them to unite with us in our stand. We express our approval and pledge our wholehearted support of the work of the Christian Action League, as it seeks to deal in a constructive Christian manner with this difficult problem.

COMMITTEE FOR COUNSELING WITH CHURCHES, CHURCH GROUPS AND PASTORS—Did not have anything to report.

EVANGELISM REPORT

This seems to be the age of rebellion. People everywhere are rebelling against constituted authority. Rioting mobs cover the streets at night in our large cities, firing guns at random and throwing fire bombs with precision. Lawlessness seems to be the order of the day. Man is bewildered and doped with despair. He searches for the answer but it seems to elude him.

Do we have the answer? We can positively say we do have the answer.

God's answer is in New Testament churches, preaching the Gospel of Jesus Christ, preaching both by precept and by example. We must become living epistles, demonstrating Christ's love and power through the working of the Holy Spirit.

God's answer to the critics and persecutors of the Church has been the hot and holy fires of revival. From Pentecost to the last real revival in the local church, God's answer has been conclusive and complete.

All of the churches in the Sandy Run Association had at least one revival during the past year and 36 churches had two revivals. The total number of baptisms reported for the year were 376 and additions by letter were 509 making a total of 885 additions during the year.

Southern Baptists' attention is directed to the Crusade of the Americas in 1969. Twenty-one countries are cooperating in the crusade. We must get ready. Our God is a God of planning and purpose. Now is the time to get every church committed to the crusade date for 1969.

We shall continue with our calendar of evangelism month by month, including our annual simultaneous, individual church, and area revivals.

FINANCIAL ASSISTANCE COMMITTEE—Did not have anything to report.

FOREIGN MISSION REPORT

The Foreign Mission Board has never enjoyed the advantageous position it has today. While the Burma field has been closed to Christian missionaries this year other fields have been opened and missionary appointees now number almost 2,200. This indicates remarkable progress, but serves only to encourage our people to accept the challenge of Foreign Mission Secretary Cauthen to get 5,000 missionaries on the field at the earliest possible time.

The use of the suggestions below will help to reach this goal of expanded missionary effort and bring even greater honor to our Lord:

1. Lead your church to learn more about missions.

   a. Ask your pastor to preach on the missionary theme at least once a month, and commend him when he does it.

   b. Try to lead your church to send THE COMMISSION to each resident family. If ten or more subscriptions are ordered at one time the cost is only $1 per year. This costs money, but is like the fertilizer the farmer uses. He can't afford **not** to use fertilizer nor can your church afford to be without missionary information

   c. Free tracts on each of our missionary fields are available from the Foreign Mission Board (Box 6597, Richmond, Va.) Order the number you can profitably use.

   d. Lead your church to establish a prayer time in each service when you pray by name for the missionaries who have birthdays that day. This will be a source of power for our missionaries and a means of keeping the needs before the people.

2. Lead your church to support missions.

   a. Churches, like individuals, must be good stewards. Are you satisfied with the amount of your church's income going to missions? **Every** church can give at least 10%. If your church can't how can you expect the members to tithe?

   b. Lead your church to agree to give **some** percentage of all offerings **through** the Cooperative Program. Over half ($11,780,500) of the Foreign Mission Board's income for next year will come through the Cooperative Program.

   c. Help to stimulate sincere interest in the Week of Prayer for Foreign Missions in your church and encourage a generous offering—as their Christmas Gift to Christ.

3. Pray for missions. Lead your church to pray. Ask God to accept someone from your church as one of His modern day Apostles. James 5:16b.

HOME MISSIONS REPORT

The importance of the work being done through Home Missions can hardly be overestimated. It is in this ministry that Southern Baptists carry out the Great Commission in the homeland plus many outlying areas.

In the direct missions department of the Home Mission Board 2,520 missionaries have been appointed and are now serving. These missionaries minister to more communities and individuals than ever before in the long history of the Home Mission ministry. Many new stations are opening up daily and hundreds in the past few years.

In the homeland, these missionaries minister to the Chinese, Japanese, French, Italians, Russians, Spanish, Indians, Jews, Negroes, and the deaf in addition to serving these language groups, rescue missions are maintained in our cities. Thoroughout the Southern Baptist territory, Home Missions is doing a profitable pioneer work in establishing new churches and missions and are reaching hundreds for Christ. Thus the program of Home Missions, with redemption and hope, reaches into every state in the union.

In response then to Dr. Rutledge's request, let us pray for Home Missions, while implementing our prayers with increased giving, and informing our churches of the full work of the Home Mission Board urge upon them the need of participating actively in the fields of opportunity promoted by the Home Mission Board.

Respectfully submitted,
Charles Ginn

HOMES FOR THE AGING REPORT

As we look back on the past year of life in our four Baptist Homes for the Aging, we are reminded of the goodness of the Lord to us, and of His continued blessings upon the residents.

Our homes have ministered to 172 deserving older men and women. All of these have been blessed by the love gifts of North Carolina Baptists, through the Special Day Offering received on the third Sunday of February each year, and through the share in the Cooperative Program. At least 85% have been benefited directly from these gifts.

The Special Day offering for 1966 is at an all time high and looks as if it might be $100,000.00 for the first time. This is very good, and we are so grateful. Let us not forget that even though there has been a 5% increase in the offering from last year, costs have advanced by 7%.

There have been fewer deaths this past year. Many of the critically ill have been brought back to reasonably good health. The nursing care has been of the highest quality.

One of our residents known as "Aunt Fannie Drumwright" celebrated her 105th birthday in July. She was the first resident to receive a Medicare card, however, she is not taking any medication at this time.

We are happy to begin construction on our fifth Home at Yanceyville during the coming year. When this home is completed, we will be able to minister to 200 people. At this time we have 170 people on the waiting list.

This ministry of love is dependent upon the concern, the love, the prayers, and the increased financial support of North Carolina Baptists.

CHURCH LIBRARIES OF THE PAST, PRESENT, AND FUTURE

In the past church libraries had many problems. Problems that could be corrected, such as, poor organization, untrained personnel, no provision in church budget, poor book selection, etc. As a result church librarians gave up and church members were not well informed. Sunday School teachers and other church workers lacked for books and audio-visuals to use in their growth in knowledge and development.

The church library of today is dealing with people who are concerned. They are aware of the fact that they have to keep up and keep ahead of a world which is demanding, commanding, and full of perplexities.

The church library has resource materials to meet your need. If you are depressed or troubled, we have materials that will lift you up. If you want wisdom or relaxation, why not check in your church library? Many can testify to the help they have received.

The future looks inviting. There are those who are just beginning and still need help from those who have the "know how." There are still church members who do not use the church library. Families need to become involved. Parents who bring children to the church library need help themselves.

The future is brighter for those who use their church libraries and continue to grow.

If you have problems about your church library why not contact one of the members of the Associational Church Library Organization? If we do not know the answer to your problem, we will try to help you find someone who does.

We are happy to report we have organized two new libraries this year and have done much to help those who have asked for special help in some field or other.

Respectfully submitted,

Mrs. Frank Willis, President
Ass'nal Church Library Org.

MUSIC MINISTRY REPORT

The Annual Christmas Carol Sing was held on Monday, December 20, 1965 with a large crowd attending.

The Regional Choir Festival was held last March with several choirs of our churches participating and doing their churches and our association credit.

Our organization sponsored music and singing at various meetings of the other organizations.

Two new ministers of music have come to our association during the past year. They are Jack Reed, minister of music and education at the Cliffside Baptist Church and Joe Walters, minister of music at the First Baptist Church, Forest City.

Respectfully submitted,
Malone Thompson

COMMITTEE ON ORDINATIONS REPORT

Our activities during the year were limited because we only had three churches desiring our services.

First, on November 12, 1965 the committee was called together at the Florence Baptist Church for the purpose of questioning Mr. Ad Hopper to the gospel ministry. He was represented by the Sulphur Springs Baptist Church and had been called as pastor of the West Point Church. The committee unamiously approved that he be ordained, which ordination service was held the following Sunday at the Sulphur Springs Baptist Church.

Second, the committee was called together again on December 24, 1965 at the Spencer Baptist Church for the purpose of questioning Mr. Larry Keeter. After finding him to be sound and in good faith, he was unanimously recommended to be ordained, which ordination service was held on the Sunday night following at the Spencer Baptist Church.

Third, the committee was requested to meet on June 3, 1966 by the Camp's Creek Baptist Church for the purpose of questioning Mr. Joe Buckner. Mr. Buckner was questioned by the council which unamiously recommended that he be ordained to the gospel ministry. This service was taken care of on the following day at the Camp's Creek Baptist Church.

Respectfully submitted,
J. R. Featherstone

REPORT OF COMMITTEE ON LOCATION OF NEW CHURHES AND MISSIONS

Your Committee has not been approached about, neither have we discovered a definite need of, a new church or a new mission station. Our churches seem to be located so as to reach the people fairly adequate.

SOUTH MOUNTAIN BAPTIST CAMP REPORT

God blessed our South Mountain Baptist Camp with another wonderful summer. Many who came had a deep experience with God, and their mission vision was broadened. They learned how everyone should help proclaim the message of Christ throughout the whole world.

Over 1,800 attended the Camp this summer. 102 attended from eight churches in our association as follows: Adaville — 8, Camp's Creek — 6, Caroleen — 21, Corinth — 28, Drewery Dobbins — 9, Henrietta, First — 6, Sandy Mush — 15, and Temple — 9.

689 made decisions for Christ, including 136 professions of faith. 500 earned honor awards by participating in camp activities, camp attitude, and study in GA and RA work.

The road into the Comp was paved in July at a cost of $14,393.00. Half of this has been paid, but some of the operating funds were used to do it. The remaining $7,196.00 has to be paid by February 15, 1967. Some of this has been pledged. Our associational board last April agreed that our association would give $1,000.00 to this project this new year. Perhaps some of our churches will send individual gifts and will boost what we have promised. We should for we have been making use of the facilities that others have provided.

A two story staff building and a missionary cottage are being built.

Church and associational groups are urged to use the camp facilities for picnics, suppers, and clinics. For a date to make use of these facilities or for further information contact Rev. T. A. Lineberger, Route 1, Box 229-L, Connelly Springs, N. C. Telephone number is 437-8308.

STATE MISSIONS REPORT

State Missions is the effort of North Carolina Baptists to teach the Bible to the lost in our State and win them to a vital faith in Jesus Christ in those areas where there are not sufficient churches and in projects too big for local churches. When you think about the fact that around half the population or about two and a half million people of our State have no church connection, you realize something of the challenge. Too, the population is increasing, people are moving, new residential sections are mushrooming up and new apartment houses are being built — all this calls for new churches and the strengthening of some old, established churches.

State Missions has been helping in the various needs. It has helped in Vacaton Bible Schools through the State Sunday School Department; it has been assisting more than 30 new churches each year in getting floor plans for building and remodeling; it has aided many struggling churches in needy areas on pastors salaries; it is helping most of the associations on their program; it helps in youth conventions, assemblies, and camps; it helps in mission centers; it ministers to military personnel at Fort Bragg, Camp Lejuene, and Cherry Point; it furnishes a special ministry in ministering and witnessing to Japanese wives of servicemen on military bases; it helps present the Gospel in sign language to the silent people; it helps in some associational center literacy programs; it reaches the Cherokee Indians; it provides a spiritual program in the correctional institutions such as Samarcant Manor, Morrison Training School at Hoffman, the Odom Prison at Lasker, the TB prisoners at McCain, and the Prison Rehabilitation Center at Butner; it takes the message to many of the migrants passing through our State each year; and State Missions helps in numerous other ways.

A tremendous opportunity awaits us in Saate Missions.

STEWARDSHIP REPORT

A pressing need of each church in our association is an undergirding of the Cooperative Program with prayer. Information on the world wide Missionary work carried on through the Cooperative Program will form a basis by which your church can pray with knowledge and zeal.

The Cooperative Program must be nurtured in prayer because information alone is not enough. It is hoped that every church will have a special prayer for some mission cause supported through the Cooperative Program in the Prayer Service each week during the month of October.

We are witnessing the greatest missionary advance in Southern Baptist history in missionaries being sent, benevolent work done and training of young people for world wide service. This advance is being made through our missionaries, orphanages, schools, homes for the aged, and our Baptist hospitals. Through the Cooperative Program you literally feed the hungry, clothe the naked, heal the sick, and preach the gospel to the far corners of the earth.

We are making progress in our concern for those Jesus came to seek and to serve. Each year more of our churches are increasing Cooperative Program giving and at the same time others are beginning whole hearted participation.

Several associations in North Carolina have 100% of their churches giving through the Cooperative Program. According to available records our association gave a total of $113,519 this past year through the Cooperative Program. Nine churches did not share in world missions through the Cooperative Program.

With enthusiasm let us be faithful in worshiping with tithes and offerings, and our church sharing regularly through the Cooperative Program for the benefit of a lost world.

RECOMMENDATIONS

We recommend:

1. That every church plan a stewardship program to suscribe and thoroughly promote the church's budget.

2. That we engage regularly in prayer for Cooperative Program causes and give special emphasis to prayer for these needs during the October Cooperative Program Prayer Emphasis.

3. That the churches give regularly through the Cooperative Program.

Respectfully submitted,
W. A. Stroud

TRAINING UNION REPORT

These are exciting days for the ministry of Training Union. Many new ideas, new materials, and a new seriousness to our need for Christian training are coming to us through our Training Unions!

The Training Union emphasis for 1965-66 was: "A Church Fulfilling Its Mission Through Proclamation and Witness." The theme for the year was: "Toward Mature Discipleship" (Colossians 1:28).

"M" Night at Spencer Baptist Church on Monday night, December 6, 1965, was an inspiration to everyone present. Rev. R. Von King, pastor of the First Baptist Church, Lyman, S. C., brought the inspirational message. The attendance was 345 with 36 churches and 24 pastors participating.

The Associational Training Union Tournament this year was very well represented by the churches of the association. However, there is a great need for each church with a Training Union to feel the burden of participating in the tournament next year.

May I urge each of you to study and stay up to date with the current Training Union materials, especially **The Training Union Magazine.** This is essential in order to know what is going on in Training Union work.

Also, may I thank each of you for your prayers, assistance, and support in carrying on the Training Union work. I would like to pledge to you my support to the new director the coming year, and beg you to support and use your Training Union as a means toward a more effective Christian witness through the local church.

Respectfully submitted,

R. E. Thompson

Churches are to be accepted under the watchcare of the Association for a period of one year in order that the above may be determined.

Sec. 4. The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice, or that fails to represent itself either by messenger or letter, for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. Sec. 5. Any church may withdraw from the Association at its pleasure.

Sec. 6. In case of internal dissention in a church and two parties coming up to the Association, each claiming to represent the church neither party shall be seated as messengers until the question is decided as to which party is the church in union with the Association. The decision is made by a majority of messengers present.

Article III — Objects

The objects of the Association shall be to devise and promote measures for increasing the harmony, intelligence, and spiritual power of the churches and to direct, promote, and develop their energies in advancing the Redeemer's Kingdom throughout the earth, more especially along the lines recommended and adopted by the Southern Baptist Convention, the State Baptist Convention, and the Association itself.

6. The following new pastors were recognized: Dillard Mynatt, Forest City First; W. M. Owens, Campfield Memorial; Sam Mintz, Prospect; R. L. McGaha, Race Path; Dean Weaver, Adaville; and James Yelton, Henrietta First.

7. Visitors from other associations were recognized.

8. Highlights from several churches were given: Camp's Creek experienced a good revival after the death that shocked the community. Gantt's Grove purchased a new organ and organized a Brotherhood which has been conducting cottage prayer meetings in the community.

Race Path had one of the greatest V. B. S. in its history with 14 professions of faith and increased their mission gifts and adopted two missionaries on the field. Harmon Street had a good year of spiritual growth and purchased new property. Drewery Dobbins sent their pastor to the Holy Land and started a new pastorium. Hick's Grove completed a new house of worship and progressed in many other areas.

9. The congregation was led in the singing of the hymn, "Send the Light."

10. Mr. Donald E. Greene, an attorney of Hickory, N. C. spoke on the subject. "Seeing the Association Through the Eyes of a Layman."

11. Leaders of our associational organizations reviewed plans and emphases for the coming year.

12. Marvin Gold, Chaplain at the Baptist Hospital, Winston-Salem, N. C., brought a report on the work there.

13. Guy S. Cain, Secretary of Annuity Department, Raleigh, explained the program and introduced us to the new provisions in the plan. He also spoke a word on stewardship in the absence of O. J. Hagler.

14. Richard Jolley, Minister of Music at Trinity Church, sang a solo preceding the Annual Sermon.

15 The Annual Sermon was delivered by Raymond Crow, pastor of the Trinity Church.

16. Following prayer led by A. B. Bumgarner, a bountiful meal was served by the host church assisted by Prospect, High Shoals, and Lavonia.

EVENING SESSION

17. The evening session opened with music meditation followed by the singing of the hymn, "Blessed Assurance." After a responsive reading Ken Lawson led in prayer.

18. The worship period was closed by the Gardner-Webb College Choir who sang several arrangements.

19. Dr. Eugene Poston, President of Gardner-Webb College, spoke on Christian Education.

20. At the business period the Place and Preacher Committee asked for a change in the constitution of Article IV, Sec. 1. They asked that the words "third Sunday in October" be changed to "the fourth Sunday in October." Since a constitution change must be presented on the first day and voted on the second day, the Moderator scheduled their recommendation to the second day of the session.

21. The reports on associational and denominational work as appear on page 31 of these minutes were adopted.

22. W. V. Carroll, Associational Missionary, showed slides of some of the churches, their congregations, parsonages and special events held during the year.

23. Harold Bishop led the congregation in singing "Love Is the Theme."

24. Rev. E. J. Hines, Supt. of Missions in the New River Association, Jacksonville, N. C., brought a most challenging message on the subject "Products of God's Melting Pot." He made us aware of our mission opportunity among the foreigners who now reside in North Carolina.

Baptist Conventions across the Western Hemisphere have responded affirmatively to the challenge and are now in the movement.

RESOLUTIONS COMMITTEE REPORT

Could the hundreds who have attended the meetings these days speak, each would say, "Rejoice, give thanks and sing." Truly, God has been so good to us in this Seventy-eighth Session of the Sandy Run Baptist Association and through His servants has inspired us to great rejoicing. Our hearts and minds have been filled with spiritual blessings and our physical needs have been more than satiated.

We, the members of the resolution committee, speak for all when we express profound gratitude to:

1. Our God, for the presence and power of His Holy Spirit and for every manifestation of human love;

2. Rev. W. V. Carroll, for his patient guidance and leadership, and all the Associational officers, committees and pastors who so nobly serve the Lord Christ in Sandy Run;

3. The program committee, for their wise planning and execution of a program to inspire and challenge us to a greater service for the Master;

4. All of those who have participated in the program in any capacity—be it pastors, representatives, missionaries, musicians and laymen;

5. The newspapers, radio stations and other news media for their generous publicity of our meetings;

6. The group of officers who have dedicated themselves to lead our Association during the coming year;

7. The many members involved in cordially receiving and providing for our every need in these particular churches: Cliffside, Prospect, High Shoals, Lavonia, Corinth, Walls, Big Springs, Drewery Dobbins and Mt. Olivet.

May the ennobling Christian experiences of these days create in each of us a stronger desire to give more of ourselves in prayer, study and ministry and to be good stewards and examples of Christ in our daily living.

Respectfully submitted,
Mrs. J. E. Cargill

ANNUITY BOARD REPORT

Response to the new program of family and retirement protection during the first quarter of 1967 indicates enthusiastic acceptance by ministers and denominational employees. During the first three months of 1967, more than 1,000 persons joined some part of the three-plan program as compared with only 685 during the first quarter of 1966.

The New Program, called the Southern Baptist Protection Program, provides additional benefits for disability, new benefits for children, education of children and dependent parent. These extra benefits are in Plan "A".

The new Protection Program incorporates the three plans into one certificate, which formerly required separate certificates for each plan. The three plans are: Southern Baptist Protection Plan, which is now Plan "A"; Age Security Plan now called Plan "B"; and Variable Benefit Plan, now Plan "C".

Information on the new Protection Program may be obtained from the annuity secretary in our state.

In 1966, more than $4,256,244 was paid in age retirement, disability or widow benefits to persons who had participated in the Protection Program. The checks vary in amounts, depending on the length of service and the amount of dues paid into the Program by the members.

The cost of living continues to climb. A retirement program based on $4,000 salary is no longer adequate to meet the needs of a minister when he retires. There seems to be no hope of a leveling off of the inflationary trends. Because of this, the new Protection Program was started so churches could help their pastors increase their retirement protection. Now a church may participate on the total salary of its pastor or other employees. Ten per cent dues on total salary are recommended as minimum.

As of December 31, 1964, some 1,492 persons had joined Plan "A" of the Program. A total of 18,328 churches were providing the Protection Program for their ministers and staff members. Almost 12,600 of these churches were paying both member and church dues.

There are 137 of the 176 Agencies in the state conventions and the Southern Baptist Convention which have Protection Programs with the Board. A total of 8,121 persons are protected in the agency programs.

The following 37 churches in our association participates in the Annuity Board Protection Programs for their pastor and other staff members. Adaville, Alexander, Bethany, Bostic 1st, Calvary, Camp's Creek, Caroleen, Chase, Cliffside, Concord, Crestview, Fairview, Florence, Gantt's Grove, Glenwood, Goode's Creek, Green Creek, Haynes Memorial, Hick's Grove, High Shoals, Holly Springs, Lavonia, Mt. Pleasant (C), Mt. Pleasant (R), Mountain View, Prospect, Race Path, Sandy Mush, Sandy Run Shiloh, Spencer, Sulphur Springs, Temple, Trinity, First Broad, Forest City 1st, Walls.

For information about any of the plans in the Protection Program, contact Rev. Guy Cain, 301 Hillsboro Street, Raleigh, N. C. 27603.

REPORT OF ASSOCIATIONAL MISSIONS

The history of associational missions is rooted in the New Testament. The churches back then and with all the distance between them felt a concern for each other and some dependence on each other.

In the early history of the Baptist churches in our Country they felt the need of fellowship and of each other's help and formed associations. The association helped them do some things together which they could not very well do by themselves. Two of those things were the matter of missions and the unification of doctrine.

Today the needs of the churches are still similar. They need the fellowship and challenge of each other. They need associational programs of stewardship, education, and missions that not many churches can get by themselves, but these things are being done through the association.

The Association this past year has had an associational missionary and an associational secretary who have helped plan, co-ordinate, and promote the work in various ways. They have helped plan an associational calendar of activities, have helped plan and hold clinics and workshops. A central training school was held. The missionary has visited in most if not all the churches two to several times during the year, helping some of them in various ways. Eleven issues of bulletins and a total of 8,485 bulletins were published and mailed to inform the people about our Baptist work. 10,091 letters and cards were mailed, informing our leaders about certain meetings and things that needed our attention.

To help keep our Association abreast of things, the associational missionary has attended many meetings outside the association such as conventions, clinics, briefing meetings, and assemblies.

NORTH CAROLINA BAPTIST FOUNDATION REPORT

We are the oldest Baptist Foundation in the southern states having been organized in 1919. The Foundation has steadily increased in its growth as an effective witness and found a permanent place in N. C. Baptist ministry.

In spite of the fact that we are the oldest Southern Foundation, we are yet far from reaching our potential usefulness. Mr. C. Gordan Maddrey, Executive Secretary of the Foundation, says, "It is absolutely necessary that the pastors of the state believe in the foundation, support the Foundation, and specifically provide the Foundation with names of individuals who might desire the services of the Foundation."

The Foundation is interested in learning of those persons who might desire to make their gift through accumulated income, such as: 1. living trusts; 2. gift annuity; and 3. bequests in wills.

The Foundation will assist you at your request.

Respectfully submitted,
Clarence L. Campbell

BROTHERHOOD REPORT

The purpose of the Brotherhood is to provide missionary information and missionary activity for Baptist Men, Young Men, and Boys. A Brotherhood program in a Baptist Church is composed of one or more of the following units: Baptist Men, Baptist Young Men, Royal Amassadors. Thirty-three of our churches, including the Brotherhood organized this year, have Brotherhood work.

Our Brotherhood Workshop was held at Florence in November with our State Brotherhood Secretary, Ed Bullock, and his state workers directing. The Brotherhood Supper Meeting was held at Spencer Church in March. Supper was provided by the WMU with proceeds going to the Annie Armstrong Offering. Seventy-six plates were served.

Work at the State Prison Camp in Spindale has been in progress since May 1. The Sunday School lesson has been brought to the men there each Sunday at 9 A.M. by the different Brotherhoods of our Association. Our men have been gracious in their response.

The date for the Fall Brotherhood Workshop is November 9 and 10 at Florence Baptist Church at 7:30-9:00 with Mr. Bullock directing. Also, February 29th has been set aside for the Brotherhood Supper at Spencer.

The RA leaders, B. A. Marshall and Don Hammond, planned a good program for the Royal Ambassadors at Cool Springs Junior High School last fall, but had to cancel it because of bad weather. However, a very successful RA Field Day was held at the Sandy Run Baptist Church in the spring. One RA Chapter has been organized this year.

BAPTIST CHILDREN'S HOMES REPORT

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. No task is more important than helping a child to grow into healthy, well-adjusted, responsible citizenship. At the Children's Homes they seek to provide the proper atmosphere, encouragement and supervision to assure the development of inborn, God-given talents of our children.

This agency offers a variety of quality services to the children of families who have not been able to continue a satisfactory pattern of living together. A total of 33 cottages on five campuses provide group care of different kinds. There are two residences for emotionally disturbed children, convenient to a great medical center where phychiatric services are available. This fall, for the first time, a single cottage at Wallburg is being opened for the rehabilitation of boys.

In addition to group homes, the needs of many children are met through the use of Foster Homes. Many families are finding happiness and opportunity for service in caring for foster children. Should you have an "extra measure of love" to share in this way, the Homes would like to know of your interest .

In June of 1967, the first of the new living cottages was completed and is being used by brothers and sisters who can profit by sharing the same home. This building was provided by Mr. and Mrs. William M. York of Greensboro, and is named the York Cottage. A similar cottage is already under construction at Mills Home and two buildings of this type are now being built on the Kennedy Home campus.

The Child Development Center on the Mills Home Campus was established to serve the local community as a means of strengthening family life and to provide a demonstration and informational program which can offer assistance to churches in beginning any phase of weekday care and education for preschool children.

Members of the Board of Trustees and the Staff of the Children's Homes are committed to the task of maintaining a Christian Program of Child Care — a program that will merit the undivided support and loyalty of our people and that will bring favor to our Lord. To that end it is their purpose to meet, as effectively as possible, the challenges of our day.

CIVIC RIGHTEOUSNESS REPORT

(Christian Action League)

More than 53,000 Americans died in automobile accidents last year according to the National Safety Council. The Council states that alcohol was a factor in half of these cases. In Wisconsin, two-thirds of the drivers involved in accidents were drinking. The number of deaths on our highways have increased by more than 3,000 annually for the past three years.

Estimates on alcoholics range as high as 8,000,000 in our country. Besides, there are more than 5,000,000 heavy drinkers, and each drinker will affect at least five people. According to 1966 N. C. Bapist Annual, more than $118,000,000 are being spent on alcohol in our state each year.

Your Civic Righteousness Committee has made an attempt to influence our State Representatives and Senator in voting against the brown-bagging bill and liquor-by-the-drink. A luncheon meeting was held in Forest City just prior to the meeting of the General Assembly. We had most of our pastors present and all of our State Representaive. We can report that only one of our representatives failed us in the General Assembly.

We must continue to work and pray that when the 1969 General Assembly meets, the wet forces will not be able to pass a liquor-by-the-drink bill. This same bill will be up again then. The "wets" never retire.

We must continue to endorse the Christian Action League and give it more support as it deals with the evils of drinks.

Respectfully submitted,
B. M. Strickland

CHRISTIAN EDUCATION REPORT

It is the total task of the Church to make disciples and to teach them "all things whatsoever I have commanded you" (Matthew 28:20). The Christian life is a learning process, and all the organizations of the church should be avenues of Christian Education.

The seven Baptist colleges of North Carolina Baptists are seeking to teach Christian principles to the young people as they come from our churches to their campuses. It is a continuing process of teaching the principles of Jesus in all areas of life.

As of October 1, 1966, there were 11,347 students enrolled in our Baptist colleges. This represents approximately the same number enrolled as the previous year. Limited facilities, both in housing and instruction, have made it necessary to turn away many students.

Our colleges continue to train most of the young people who enter the church vocational field. The Christian college, however, is not solely in the business of training full-time Christian workers, for the vast majority of the students will return to their communities as laymen. These men and women return to their communities not only to assume responsibility in the local church, but to bear a Christian witness through their professions in the communities where they work.

The Cooperative Program gives vital support to our colleges. For the year 1967, $1,578,960 has been budgeted. The colleges are grateful for this support. In 1966 the Christian Education Day Offering was $132,046, and the colleges are in hopes there will be an increase this year.

R. J. Hogan

CHRISTIAN LIFE COMMITTEE'S REPORT

During the past year, the Christian Life Commission significantly increased its applied Christianity ministries to Southern Baptists. It is now clear that rank-and-file Southern Baptists are increasingly aware of the need to apply the Christian gospel to the world in which we live. Especially pressing is the need for God's good news in Christ in the midst of the moral revolution now taking place through the nation.

Tangible evidence of Southern Baptists' response to its Christian Life Commission's ministries is impressive. For one thing, the Commission's written materials reached a new high in total circulation—71,290,000, or an increase over the previous year of 17,453,977. In addition to these materials which were channeled through Southern Baptist publications of all kinds, more than a quarter of a million pamphlets were distributed upon the request of individual Southern Baptists or the churches. Work was completed on a new series of pamphlets entitled "Issues and Answers," providing basic information and a plan of action for Christians on alcohol, honesty, race relations, juvenile delinquency, pornography, the mass media, communism, poverty, peace, and gambling.

There was a gratifying response during the past year to the conferences planned by the Christian Life Commission. Especially noteworthy were the lectures by Dr. David R. Mace, a foremost authority on family life, at Glorieta and Ridgecrest on the theme, "Toward A Christian Interpretation of Sex." Attendance was the largest in the history of these conferences, averaging about 400. The Commission staff also participated in specialized meetings at almost every level of Southern Baptist life, using every opportunity to emphasize Christian moral responsibility in local churches, associations, state Baptist conventions, and with the rising generation on college and seminary campuses. More new books, articles, and study materials were published last year than ever before in any twelve month period to help Southern Baptists with the application of Christian principles in daily life. Four books, numerous articles, and many kinds of training materials were included among these publications.

Respectfully submitted,
Harold Brown

EVANGELISM REPORT

This past year the churches of our association baptized 394 persons. This represents a ratio of one baptism for every 50 members. We are grateful to God for every person who has been brought to confess Jesus Christ as Lord. We call upon our churches to give themselves to the work that brought Christ from heaven to earth, evangelism. Evangelism is the heart of our churches' existence. Evangelism must be a two-pronged thrust. We must publicly proclaim the Gospel that is the power of God unto salvation, and we must personally win others to Christ. "Every Christian, a Witness" must be more than a slogan; it must be a reality in our lives.

This year our Associational Evangelistic emphasis was upon Youth-Led Revivals. The Billy Graham film, "The Restless Ones," was shown the week prior to Simultaneous Youth-Led Revivals with over 400 decisions made for Christ.

Our churches now face a tremendous evangelistic challenge in the Crusade for the Americas. This is more than just a two-week period of revivals. It is an emphasis on evangelism that should occupy our churches throughout 1968-'69 and '70. Our churches have been challenged by one of our mission fields, Brazil, to give ourselves to the work of evangelism and world missions for 1968-69. Some of the challenges in the Crusade of the Americas are:

NATION-WIDE EMPHASIS ON PRAYER: Two days of prayer, January 14, 1968, and January 12, 1969; PACT: A program of "prayer partners" with individuals, groups, and churches on the "Other Americas" initiated in July-August, 1968; Watch Night Prayer Service, December 31, 1968.

NATION-WIDE SEARCH FOR PROSPECTS: May, June, July, August, 1968.

NATION-WIDE VISITATION WITNESSING: September, November, 1968.

NATION-WIDE CRUSADE OF THE AMERICAS REVIVALS: March 16-30; April 6-20; April 27 - May 11, 1969.

NATION-WIDE EMPHASIS ON NEW MEMBER ORIENTATION: Following the Crusade of the Americas Revivals, study of book, "Daring Discipleship," and launch new member orientation.

SPECIAL EMPHASIS IN NORTH CAROLINA ON CHRISTIAN MATURITY: January 1 - December 31, 1970.

Adequate guidance material for cooperation with and in preparation for the Crusade of the Americas is provided for us in the **1967-68 Evangelism Plan Book** already available to us and in the **1968-69 Evangelism Plan Book**, which will be available after July of 1968 from the Division of Evangelism, 301 Hillsboro Street, Raleigh, North Carolina 27603.

Richard N. Spencer

FOREIGN MISSIONS REPORT

At the end of 1966 there were 2,208 missionaries serving in 62 countries around the world. Even though 207 missionaries had been appointed, this was a net gain of only 138. All 62 missions needed new missionaries, but just 38 of the 62 countries received a new missionary. The largest number appointed for a particular country went to Brazil. The State of Texas was first and North Carolina second in the states supplying the largest number of newly appointed missionaries.

The latest figures available this year in time for our report are for August which show a total of 2,301 missionaries under appointment. Also, during the year we have entered three new countries, Morocco, Ethiopia, and Botswana, thus increasing the countries where we have work to 65.

The Foreign Mission Board has begun at Ridgecrest in September this year a new Orientation Conference for specialized help for overseas effort which last 16 weeks and replaces the 7 to 10 day conferences previously held for recently appointed missionaries. A conference will be held twice each year, beginning in September and January.

The total budget for the board for 1967 is $28,022,300, 93% of which is spent on Mission Fields abroad. A minimum increase annually of $2,225,000 is required for the support of missionaries and ministries abroad, and yet each year it is necessary to leave waiting more than $4,000,000 of recommendations which have been submitted to the Foreign Mission Board by the mission fields because resources are not sufficient to provide for them. These funds come primarily from the Cooperative Program and the Lottie Moon Christmas Offering. This special offering goal in 1966 was $14 500,000. Sandy Run Association gave $30,738.00. The Lottie Moon Christmas Offering Goal for 1967 is $15,000,000. How much of a part in World Missions did your church have in 1966? Won't you plan to have a greater share in this in 1967?

Respectfully submitted,
Mrs. James F. Marchman, Jr.

HOME MISSIONS REPORT

The United States is the most influential nation in the world. It is the nation whose churches provide the major thrust for the spread of the gospel world-wide. Amazing advances in communication provide un-

parallelled opportunities for sharing the gospel, but they also channel to the world information regarding our spiritual and moral weaknesses. In such a situation, every effort to Christianize the United States takes on global dimensions. At this point in human history home missions must be a major concern of Southern Baptist.

A MISSIONARY FORCE of over 2,100 assists Southern Baptists in their efforts to bring men to God through Jesus Christ in a period characterized by national and international tensions, inflationary economy, growing population, moral problems, and mounting social changes. This force was reinforced in 1966 by the appointment of 427 missionaries, with 119 on career status.

FINANCIAL ASSISTANCE went to 270 churches for loans totaling more than $4.5 million. The funds of the Church Loans Division now total more than $17.5 million, and the agency seeks new methods of guaranteed loans that will multiply these funds.

Number of workers (excluding summer workers), 1966 — 2,166.

Professions of Faith, 1966 — 56,834.

Additions to Churches, 1966 — 31,259.

Total Professions and Additions, 1966 — 88,093. Loss of 3,837 under the previous year.

HOMES FOR THE AGING REPORT

North Carolina Baptist Homes for the Aging have been busy during the past year. Our fifth home at Yanceyville was opened giving us room to care for 30 more elderly people. This brings our total up to 200 deserving older men and women in our care in all of the Homes.

The Special Day Offering in the state for 1967 was at an all-time high and has increased by 10% over last year. This is most commendable, but when we face the reality of costs, which have advanced by 20%, and the maintenance of an New Home and the care of 30 additional residents at Yanceyville, we could face a real crisis during the next year, unless the gifts from our Baptist people continue to increase in proportion to our needs.

We wish to thank all of our Baptist people in our association who are enabling us to minister to the aging in Christ's Name, and we want all of you to know that each of your five Homes exists for the people from all over our State. The Homes could not operate without your love, your prayers, your concern, and your financial support.

Raymond L. Hudson

BAPTIST HOSPITAL REPORT

Since 1941 when our Hospital and our Medical School were joined, there has been rapid change both in medicine and in fast development of our Baptist Medical Center in Winston-Salem.

There are new means of diagnosing our ills. New drugs are being developed almost daily for combating disease. There are new techniques in treating our ills, new instruments to perform miracles such as the cobalt machine, the heart lung pump, the pacemaker for the heart, and the laser beam in surgery. There are new facilities for better care of the patient, such as the intensive care unit and the progressive care unit.

There is a new concept of the patient, and he is treated as a whole person, including his emotional and spiritual needs as well as his physical problems.

Such important progress necessarily means greatly increased cost in medical care. We received a call for help this year, and while eight of our churches gave nothing and fifteen gave less than the year before, thirty-four of our churches heeded the plea and increased their offerings over the year before. Our total offerings increased over eight hundred dollars.

The ministry to the sick is a ministry in which we as churches and individual Christians join hands with those who serve in our Medical Center. If this service is made available to all our people who need it, we of necessity have to provide much of the means, for there are many who cannot pay for it. This is a wonderful opportunity when we, by simply giving our money, can share in so important a service to our brother in need, and even hear a "Well done," for "inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

Tyler LeRoy

INTERRACIAL COOPERATION REPORT

In interracial work this past summer a college student said, "I can never begin to tell all that this summer has meant to me, for how do you communicate the joy you feel when you realize that you had a part in winning 41 boys and girls to Christ? And how do you explain what it means when you find you love as brothers in Christ people you had always feared . . . . . I would not exchange this summer for anything in the world."

42 Vacation Bible Schools were held enrolling over 3,600 boys and girls. In the Asheville area there were seven standard schools held in the General Baptist churches.

The Sandy Run Association gave the Gold Hill Baptist Association a Vacation Bible School Clinic and has given other minor help. A WMU of one of our churches gave $35.00 to help buy VBS materials in three of the Negro churches.

Four Human Relations Conferences were held during the year which were sponsored by our Baptist State Convention in cooperation with the General Baptist Convention, and a week at Mars Hill College. Also, a number of the General Baptist Convention people participated in our summer camps and assemblies the past summer.

The General Baptist State Convention has voted to participate in the Crusade of the Americas, and our two State Conventions are planning a conference on evangelism in Greensboro in 1969.

CHURCH LIBRARIES ACTIVITIES REPORT

In the 1966-67 Minutes there were 29 churches which reported libraries, but only 24 librarians. Won't you please make an honest effort to get someone to be responsible for gathering your resource materials for organizations. Remember, there is absolutely nothing that can take the place of a church library.

I have had the pleasure of assisting one new librarian in understanding something of library work and helping her to know where to get the information neither of us knew.

February 20 through 24 of this year was a crowning moment in our library work as an association. At the Central Training School there were 14 enrolled with 8 churches represented and 6 receiving awards. February of 1968 will be another opportunity to train for better service in your church library work.

National Library Week will be April 14-20. This will be a good time to promote church library work since everyone will be reading conscious.

What kind of books do you expect to find in a church library? Mrs. Ida Lee Freeman suggests: 1st — Religious books; 2nd — Books suggested in denominational literature; 3rd — Clean wholesome recreational reading. fiction, biography, sports, careers, teen-age hobbies, crafts, camping, for children — nature studies, anything that will build character and challenge a person to live a more useful life.

Think of **YOUR CHURCH LIBRARY** as a partner in the common task of all the other organizations of the church.

Respectfully submitted,
Mrs. Frank Willis

MUSIC MINISTRY REPORT

The Associational Music Ministry did not have a Christmas Carol Sing on the square of Forest City, but cooperated with the Forest City Ministerial Association to provide a Singing Christmas Tree on the steps of the First Baptist Church for two evenings during the week of Christmas as a pantomime scene was being portrayed at the east end of town

Only one church participated in the Choir Festivals in March. We sincerely hope that more will take an active part this coming year.

The music ministry had a program for the Minister's Conference demonstrating the music which is being offered in the materials published by the Sunday School Board for the various age groups.

A special mailing was sent to all music directors to urge them to report the music ministry of their church. We hope all music directors did report the choirs in the church letter to the association.

COMMITTEE ON ORDINATIONS REPORT

The committee met January 10 at Henrietta First Church at the request of the church for the purpose of examining James Yelton for ordination to the ministry. The committee recommended that the Henrietta Church ordain him, and he was ordained January 22, 1967 at Henrietta First Church where he now serves as pastor.

On April 15, 1967 the committee met at the Spencer Church for the purpose of examining Arthur Herron for the gospel ministry. The committee, being well pleased with Brother Herron's answers and his work as associate chaplain in the General Hospital in Louisville, recommended his ordination to the Spencer Baptist Church, which service was held on April 16, 1967.

SOUTH MOUNTAIN BAPTIST CAMP REPORT

Words cannot express to you what God did for us at South Mountain Baptist Camp this year. He was very real to most of the 2,000 who attended the camp.

Seven hundred campers and visitors made some type of decision for Christ. This includes 132 young people that made professions of faith.

Camp activities during the summer included four R.A. Camps with 460 in attendance, five G.A. camps with 789 in attendance, two Brotherhood RA Field Days, eight retreats and overnight camps, and one Associational Youth Retreat.

The South Fork and the Hicks' Grove Churches have adopted a cabin each to be responsible for their upkeep. Other churches may be willing to do the same. The balance due on the road is $5,000.00. It is hoped that enough churches, industries, and individuals will make a special effort to help us liquidate this indebtedness by spring.

Your camp is equipped to enrich the lives of two hundred campers each week. Therefore, we urge every church to consider bringing or sending their young people to camp next summer.

Your camp director and other members of the staff are available to visit your church to inform them about your camp and to help them to see the value of a camping program.

STATE MISSIONS REPORT

The September 2 issue of the BIBLICAL RECORDER presents State Missions in a fine manner. It touches on most of the objects in State Missions, portraying some of them in pictures.

State Missions aims at winning the lost to Christ and developing Christians to become good witnesses of Jesus Christ.

The church is the State Missions lighthouse for God when its members worship God, live dedicated lives, pray, and bring their tithes and offerings for the glory of God. In his way each of us has a part in State Missions. Each witnesses in our State every day of the year.

This year the financial goal of State Missions was $200,000.00. 20% of this offering was earmarked for a new administration building at Fruitland which is badly needed.

State Missions this past year aided in several mission Vacation Bible Schools, enlargement campaigns, many training programs (S.S., T.U. music and brotherhood), choir festivals, and assemblies (Fruitland, Caswell and Caraway). At Fruitland it has helped train 167 pastors the past year. It has helped on pastoral aid, in securing church lots, and in getting building plans for churches. Also, it has assisted in our Cherokee and Burnt Swamp Indian work and in the work with the military forces in our State, including ministering to foreigners.

State Missions has helped minister to the prison patients in McCain Tuberculosis Sanitarium, the prisoners at Odum Prison at Lasker, the boys at Morrison Training School at Hoffman, and the teen-age girls at Samarcand Manor correctional institution. Many in these institutions have been won to Christ.

Everything in State Missions has not been covered in this report, nor were all the needs met. The work is greatly limited by our lack of dedication and giving.

STEWARDSHIP REPORT

Despite the fact that Southern Baptist have been sharing the gospel through the Cooperative Program since 1925 many do not know what this plan is. The question — What is the Cooperative Program? — is often heard.

The answer is simple. What the budget is to the local church the Cooperative Program is to the denomination. It is support for all mis-

sionary causes at home and abroad — it's preaching the gospel — it's healing in the name of Jesus through hospitals and clinics everywhere — it is teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday and as the local church channels a part of its income through the Co-operative Program, we enter partnership with God and one another in obedience to the command, "Go . . . preach . . . teach . . . !"

Let us resolve to pray earnestly for all Kingdom work and support our prayers with sacrificial giving of self and substance.

Last year North Carolina Baptists gave $5,787,311 through the Co-operative Program. Supplementing this with Special Offering amounting to $2,897,639, we had a total of $8,684,950 for all mission causes! Two associations (Anson and Yates) had 100% of their churches giving through the Cooperative Program.

According to records available, our association gave $115,427 during the last year for World Missions through the Cooperative Program. We recommend:

(1) That each church plan, vigorously promote, and subscribe a worthy budget.

(2) That special emphasis be given to prayer for Cooperative Program causes during October.

(3) That each church give regularly through the Cooperative Program.

(4) That in response to the special call of the General Board of the Baptist State Convention, we increase our Cooperative Program giving by at least 10% during the coming year.

Kenneth R. Lawson

SUNDAY SCHOOL REPORT

The 1966-67 Sunday School program emphasized the important continuing task of a Sunday School:

To teach the Biblical revelation;

To lead all church members to worship, witness, learn, and minister daily;

To lead in reaching all prospects for the church;

To provide organization and leadership for special projects of the church;

To provide and interpret information regarding the work of the church and denomination;

The task of leading all church members to learn daily involves the Sunday School in the emphasis "A Church Fulfilling Its Mission Through Education." Sunday School leaders should seek to lead members to participate in all learning opportunities offered by the church.

In the year 1967-68 the emphasis will be on Church Growth through the Adult Focus Groups. Some important events will be January Bible Study, a Central Training School, a Vacation Bible School Clinic, and preparation for the Crusade of the Americas.

Let us work in the year to improve teaching in the Sunday School classroom.

The Sunday School is the church's arm of outreach. This organization is responsible for discovering the prospects, winning them to Christ, and then training and educating them. The church that takes seriously the command of our Lord, "Go ye therefore, teach all nations" (Matt. 28:19), will go beyond the present church and Sunday School rolls to discover its possibilities. The concern of such a Sunday School will lead its members from house to house in their search for lost and unchurched persons.

R. J. Hogan

TRAINING UNION REPORT

"M" Night was held at the Cliffside Baptist Church on Monday night, December 5, 1966. The attendance was 563 with 30 pastors and 29 directors present. There were 43 churches represented.

The Associational Training Union Tournament was held at the First Baptist Church, Bostic, with participants in each age group on March 2 1967.

WOMAN'S MISSIONARY UNION REPORT

Our year's work actually began with the Associational officers attending the two-day State Workshop at Fruitland which prepared us to lead the Associational Leadership Conferences at First Baptist Church, Forest City on September 30th. Leadership Training courses were also taught for all WMU organizations, except the Sunbeams, at First Baptist, Forest City on September 26, 27, and 30th.

On November 20th one hundred sixty-five leaders and girls attended the Associational GA Forward Step Clinic at Caroleen Baptist Church. Mrs. Joy Fenner, former Texas GA Director, assisted Mrs. Elwood Orr, our Associational Director, in leading this.

Forty teachers took advantage of help at the Mission Study Institute on January 13th at Florence Baptist Church. All the Home Mission Series for study this quarter were presented under the leadership of Mrs. R. W. Buckener, Mission Study Director.

Mrs. James F. Marchman, Jr., Associational WMU President, and Mrs. J. E. Cargill, Mission Action Director, represented the Association at the State WMU Convention in Winston-Salem, March 28-30, and at the State Christian Life Conference in Lexington, April 11th.

Mt. Pleasant (R) was host to the Associational Prayer Retreat on April 8, led by Prayer Director Mrs. William Stroud.

The Annual WMU Session was held at Green Creek Church on April 27th. Miss Miriam Robinson, WMU State Executive Secretary, and Mrs. Woodrow Daves, Mission Center Director, Gaston Association, were featured speakers who challenged the 225 WMU members, pastors and laymen in attendance. Thirty-three of the forty-eight Churches with WMU work were represented.

We are grateful to Rev. A. B. Bumgarner, Rev. Audley Hamrick, and Dr. J. Stephen Morrisett who taught the three classes at Spencer Baptist, Sandy Run Baptist, and Forest City First Baptist Churches, studying the book, "The Holy Spirit in Missions," on July 20th.

The Sunbeam Day Camp for eight year olds at Calvary Baptist Church on August 3rd was attended by 38 children and 19 adults. The Audley Hamricks planned and directed the camp using "The Philippines" as study theme. Only 12 churches of the 35 who have Sunbeam Bands sent their Sunbeams.

We have had two new WMS Organizations formed this year, one at Pacolet Hills and the other at Faith Baptist Church.

In addition to participating in meetings, I have taught mission study classes, attended a State Stewardship Conference in Gastonia, WMU Conference at Ridgecrest, the Associational Board meetings, the State YWA Convention in Charlotte, several GA Coronation, participated on the "M" Night Program, and led the WMU Conference of the Associational Spiritual Growth Program.

Respectfully submitted,
Mrs. James F. Marchman, Jr.

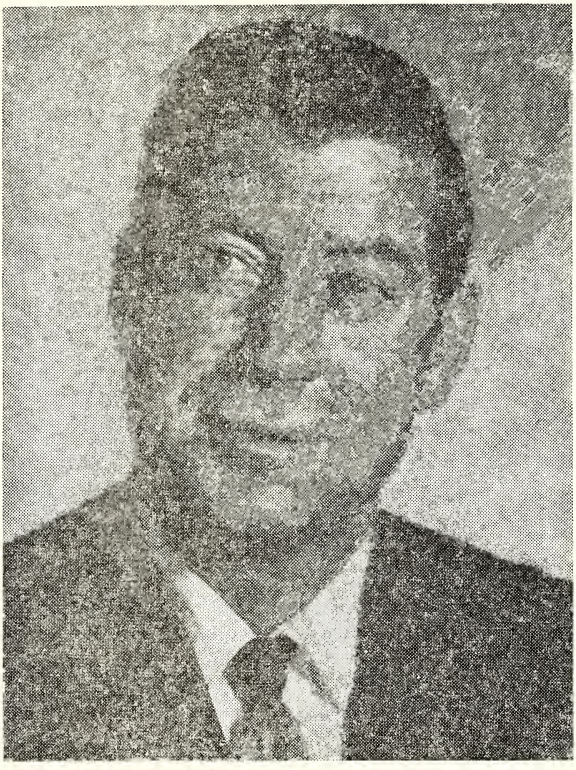
In Memoriam



Raymond L. Hudson
1930 - 1968

To the unforgettable memory of Raymond L. Hudson, pastor of the Temple Baptist Church for nearly five years, we dedicate the 1968 Minutes of the Sandy Run Association.

As a pastor, Brother Hudson was sincere in his duties; as a preacher, he was unswerving in his devotion to proclaim the good news of the Gospel; as a friend, his passing was a personal loss to many; and as a Christian gentleman, his faith in both God and man was one of highest degree.

Reports

THE AMERICAN BIBLE SOCIETY REPORT

Christianity enters the space age, but does so with a handicap because of a critical shortage of the scripture. Seven out of eight Christians do not possess a New Testament; 50% of all the Christian families do not have Bibles and more than 2½ billion of the 3 billion people in the world are without any portion of the Written Word.

Christianity will conquer the inner spaces of men's lives only as they encounter the Living Word of God.

The American Society, an arm of the church, has existed for over 150 years for the sole purpose of preparing and supplying Scriptures to all mankind in a language he can understand. The printing is done without comment and without profit.

Southern Baptists have always been in the fore-front of active participation and cooperation with ABS work and also leading the other 74 denominations in financial support.

North Carolina Baptists contributed $7,614.25 last year to ABS causes.

The arm of ABS is reaching into such places as hospitals, prisons, armed forces, plus school and institutions of most all types.

The American Bible Society depends entirely upon concerned churches and individuals who have the vision to free men's souls with the Word.

The world will not wait, and it need not, as long as dedicated Christians will do as the Bible says and share the Good News with the whole world. It is said the Word will stand forever.

Respectfully submitted,
W. M. Owens

ANNUITY BOARD REPORT

The three-plan (the "A," "B," and "C" Plans) Southern Baptists Protection Program has one provision in Plan "A" that will affect all prospective new members soon. This provision is called "Delayed Participation," or "grace period." "The grace period" provision will become effective on January 1, 1969. The grace date is established in one of three ways: (1) as of January 1, 1969; (2) on the member's 26th birthday; or (3) one year from the date he first became eligible. This means that if a member joins Plan "A" later than his grace date, the disability, widow, child, education and dependent parent benefits will be proportionally reduced. The reduction will be the ration which such years of delay bear to the total years from the grace date to the normal retirement date. Therefore, it is important that all who are eligible join the Program before January 1, 1969.

During 1967, 3,146 members joined some part of the three-plan Program. The plans in the Protection Program are: Plan "A" formerly called the Southern Baptist Protection Program, and the plan in which benefits

were increased and new ones added; Plan "B" the Age Security Plan; and Plan "C" the Variable Plan.

For the second year, all persons receiving a life benefit were mailed a "13th" check for an amount equal to 12% of his annual benefit. These checks were made possible because of interest earnings in excess of what the plans required.

The Protection Program is designed to help any church provide as much retirement income for the minister and staff as it desires. 10% dues on total salary is recommended by the Annuity Board and convention secretaries.

The Annuity Board's August's report shows that only 34 of our churches have their pastors and three of those churches with five staff members in one or more of the Plans, making a total of 39 participants.

Respectfully submitted,
Nelson Root

Respectfully submitted,

ASSOCIATIONAL MISSIONS REPORT

A Baptist Association is a group of churches in a local area that voluntarily join themselves together for the purpose of missions in the association, state, nation, and world. So we have associational missions, state missions, home missions, and foreign missions.

A church's concern for others determines its views of missions. Some churches are bothered with myopia. Their big vision is of themselves while others have both myoptic and hyperoptic views. They see themselves and the needs away off yonder, and there is a blind spot just beyond their local area. They don't see the association but dimly if at all. They need good eyes to see clearly all the way or trifocals so they can see themselves, the association, and also afar off.

The association deserves the concern, sympathy, and support of the churches that created it or that join it. It is the nearest organization to the local church. The churches join it. They don't join the State or Southern Conventions. They report to the association, not to the State or Southern Conventions.

Because we have an association, we have the annual session of the association and associational board meetings during the year. We have the associational organizations and an associational missionary for aiding and strengthening the work. The State and Southern Convention work through the association and the missionary in helping the churches quite often. This is an indication of the importance of the association from the Conventions' point of view.

Now, something of the associational missionary's activities: The Associational Office was moved last February from the Florence Church to Rooms 203-4, Union Trust Bank Building, Forest City, so there could be room for a secretary. The missionary delivered 30 sermons and messages, taught 19 SS lessons, visited in most of the churches and in 176 services, presented pictures 21 times, helped in a couple Vacation Bible Schools and study courses, held 175 or more individual and committee conferences and few telephone conference, mailed 11 issues of bulletins, 10,726 letters and cards. Also, he attended 28 associational and 24 State and Southern Convention meeting.

BAPTIST FOUNDATION REPORT

The past year has been one of continued progress for the North Carolina Baptist Foundation. Since its founding in 1919, the Foundation has steadily and consistently grown in resources and influence throughout North Carolina. "More and more of our Baptist people are inquiring about the services of the Foundation, and they are following their inquires with concrete evidences of concern," states Mrs. Marie R. Denmark, office secretary of the Foundation. From various individuals donations of money have been made to the Foundation for a particular agency or institution. Others, assisted by their attorneys, have made provisions in their wills that through the Foundation Christian causes have been remembered.

Mrs. Denmark further states, "One of our major emphasis has been in the area of will making. Our pastors, associational superintendents and our church representatives have given encouraging help in this educational campaign. The response in each instance, whether in an association or individual church, has been most gratifying."

The North Carolina Baptist Foundation is an excellent way for one to continue to serve Christ and His cause even after death has taken him from this earthly life. The Foundation is anxious to learn of people who may be interested in any phase of its services for the advancement of the Kingdom. The Foundation will be glad to give further information and assistance to anyone who may be interested in any part of its program.

BAPTIST HOSPITAL REPORT

This is a full year at out Baptist Hospital with more than 30,000 sick people being given medical service and Christian ministry, and more than 165,000 visits being made to the clinics of the Hospital. In addition to this, more than 700 persons are receiving training in the various fields of medical care and Christian service, and a vast amount of medical research is being done in the causes and treatments of the diseases which afflict us and our loved ones.

The Development Program, which will greatly increase the capacity of the Medical Center to train and serve, is progressing on schedule. The new power plant is scheduled to go into operation in October. The Paramedical School building is due to be ready by next April. The Medical School addition is to be ready by September, 1969, and will allow that school to enlarge by 35%.

But this has been a very difficult year financially, and our Hospital has been forced to make important changes in its financial policies. In the face of mounting costs and increasing needs of people, the Hospital has been struggling with a growing deficit. We have been told this for several years, but the gap has continued to increase between the cost of free service and the money we have provided for this service. The amount of free service now will have to be governed by the amount of the Mother's Day Fund. A patient's hospital bill will be estimated in advance and any available hospital insurance will be deducted, and the balance must be paid before the patient is admtited unless he is certified by his county welfare department or some other agency. Any balance beyond the estimated bill must be paid before the patient is discharged. In case of an emergency, the patient may be admitted but the hospital bill must be paid as soon as possible after admission. The Mother's Day Fund will be used, as it has been, to pay the difference between the amount paid by the certifying agency and the total cost of caring for the patient.

The great concern at our Baptist Hospital is for these patients who must have financial assistance if they are to get the specialized care they need. But the Hospital has come to the point that it cannot continue to operate without the money necessary to cover the cost. In view of the circumstances, we believe the great majority of our pastors and our people will understand these changes and will give their full cooperation. The Mother's Day Offering will need to be increased greatly if our Hospital is to fulfill its mission to our people who most need it. We want to assure our Hospital that it can depend upon us in full measure.

Respectfully submitted,
Tyler LeRoy

BROTHERHOOD REPORT

A Brotherhood program in a Baptist Church is composed of one or more of the following units: Baptist Men, Baptist Young Men, and Royal Ambassadors. When a church has only one of the above units, it has a Brotherhood. We now have in our association 39 Brotherhoods, a gain of one and some new men's units.

The purpose of the Brotherhood is to promote missionary information and missionary activity for Baptist men and boys.

Our Brotherhood Workshop was held last fall at the Florence Baptist Church with our State Brotherhood Secretary, Ed Bullock, and his field workers, directing. The workshop will be held again this fall, November 4 and 5, at the Race Path Church. Supper will be served the first night.

The Sunday School in the State Prison Camp has made considerable progress under the direction of W. M. Hopper, the Mission Action Leader. A good response has come from all over the association in the prison work.

B. A. Marshall, our R.A. Leader, with the aid of our state workers, conducted a Training School for R.A. Leaders at the First Baptist Church on August 31.

We wish all churches would have a Brotherhood.

Broughton Strickland

BAPTIST CHILDREN'S HOMES REPORT

North Carolina Baptists and other friends of the Children's Homes are making possible a Christian way of life for hundreds of boys and girls who otherwise would be denied many of life's best opportunities. More than 1,300 children were assisted in some type of service during the past year.

All associated with the Children's Homes are deeply grateful for every type of support. Cooperative Program income through the churches is increasingly important. Last year's Thanksgiving offering is the largest ever — now approaching $325,000. Special gifts, bequests through wills and estate planning, provide much needed income and wonderful opportunities to invest in the lives of children and young people.

Encouraging progress is being made in the capital funds campaign to build a home for children in Western North Carolina to be located in Haywood County between Waynesville and Clyde. It is hoped that construction can begin in early 1969. The Western Home, in addition to providing group care, will strengthen all types of services now being provided children and their families in the Western area.

Four family style cottages have been constructed and dedicated during the past year — two at Mills Home and two at Kentucky Home. Two additional cottages will be constructed at Hills Home during the coming year. Funds for these buildings have come from bequests through estate planning by friends of neglected and dependent children.

The number of good Christian homes for the care of foster children is growing. More are needed in all sections of the state. Foster homes serve children of all ages and are particularly helpful for some who have special needs. Couples with or without children of their own, who have an abundance of love, find this to be a challenging and rewarding opportunity for Christian service.

Members of the Board of Trustees and members of the staff of the Homes are dedicated to a program of child care that will merit the undivided loyalty and support of our people and that will be worthy the blessings of our Lord. We covenant with you to face the future as we have the past: to offer Christian nurture to children in distress in the name of Christ our Saviour and Lord.

CIVIC RIGHTEOUSNESS REPORT
(Christian Action League)

Criminal violence is exploding into the most serious domestic crisis facing our country. FBI figures show an ominous surge in crimes, riots, and brutality nearly everywhere, especially among teen-agers and young adults. Serious crimes are up 21 percent, more than one-fifth over last year's rate.

Crime and violence that flourish in America cannot be attributed to any single cause. The causes are many and interrelated, for they are rooted in a number of conditions and influences in contemporary life. But one cannot but believe that alcohol is a major contributor to crime. It is significant that when rioting and looting begin in one of our major cities that one of the first things the authorities do is to close down the liquor stores. Our leaders realize that there is a close relationship between liquor and crime.

One of the most serious aspects of the problem of alcoholism is its use by teen-agers. Recently a survey was taken of 2,000 high school juniors and seniors in which 19 out of 20 students questioned admitted that they had tasted alcohol beverages at least once. One out of every four rated himself a "drinker," meaning that he drank more than just occasionally. The average age at which students reported they started drinking was 14½. A newspaper reported school officials in Coos Bay, Oregon, of breaking up a cocktail party at a playground. Twelve sixth graders, including three girls, were suspended from school. The principal said the children mixed drinks taken from their parents' bottles at home.

Let us do all within our power to see that liquor does not come into our communities or homes. We must be alert and fight the evil influence of alcohol. It is imperative that we pray for and continue to support the Christian Action League.

R. J. Hogan

CHRISTIAN EDUCATION REPORT

The Christian college campus is emerging as a great moral and ethical force in American culture. Our Baptist colleges have taken the lead in restoring discipline and moral and ethical responsibility on the college campus. As long as we grasp this opportunity to work with our young people we will discover that we are preparing an effective Christian witness in America for the future. This is no time for retreating or retrenching. It is a time for positive Christian witness from our churches and from our colleges.

This past year there were 12,024 students enrolled in the seven Baptist colleges of North Carolina. Altough many of these students plan to enter secular vocations, our colleges continue to train most of our Baptist young people who enter a church related vocation.

To perform the ministry of Christian education through our Baptist Colleges, we must be willing to accept our financial responsibilities to these colleges. They are depending upon us in the local church. The continued growth of the support by our Baptist people through the Co-

operative Program is most encouraging. For the year 1968 the amount of $1,631,000.00 was given.

May we continue to pray for and support our Baptist schools in every way. Never has there been a day when institutions of this kind have been so terribly needed.

Respectfully submitted,
Dillard A. Mynatt

CHRISTIAN LIFE COMMITTEE

This has been a historical year in the Southern Baptist Convention in the area of Christian ethics. By a large majority, the Convention in an annual session at Houston, Texas, adopted a "Statement Concerning the crisis in our Nation." This was a responsible step forward in the acceptance of the social imperatives of the Christian gospel. This statement was endorsed by the Christian Life Committee of the Baptist State Convention of North Carolina at a meeting on July 9, 1968. A number of proposed recommendations coming out of the endorsement of this statement will be presented to the Baptist State Convention for consideration this fall.

The Christian Life Commission's Program of Christian Morality development among Southern Baptists has made encouraging advances during the past year. Woman's Missionary Union and the Brotherhood Commission have moved out in the area of community action to express in a practical way a concern for Christian social ethics. The Sunday School Board and the seminaries are becoming more involved in meaningful social concern. Many local churches are concerned about applying Christian principles to social problems such as racism, alcohol, and gambling, as well as continuing to apply these principles in the areas of family life, citizenship, obscenity, daily work, and the waging of peace.

The strong emphasis of the Christian Life Commission on applied Christianity continues through books, articles, study guides, photographs, tracts, sermons, addresses, workshops, and conferences. To assist in this work, more than fifty thousand copies of a guide to current social issues have been made available to Southern Baptist leaders to strengthen the total Baptist witness for Christ.

In North Carolina, the most important immediate matter of interest is the strong possibility that a recommendation will come before the State Convention at its annual meeting this year that a Christian Life Division be established as a part of our General Board Program. If this recommendation is accepted, this new Division will assume the responsibilities of these existing committees: Christian Action, Christian Life and Public Affairs, as defined in the by-laws. It is felt strongly by convention leadership that such a Division is now in "the light of the urgent and complex moral issues confronting Christian people today and with respect to the responsibility of Baptists to provide leadership in the identification and solution of ethical problems to the uplifting of the character of individuals and the total culture."

The constant prayers, concern, and involvement of each individual Christian in matters of Christian morality is of utmost importance if God is going to be able to do through Southern Baptists what He wants to do.

Respectfully submitted,
John W. Lucas

EVANGELISM REPORT

Evangelism is our first great responsibility, and the second is to follow our Lord Jesus Christ obediently, as taught in the Scriptures, that the true fruits of evangelism may issue from our total lives. Therefore, it must be of utmost concern to very Spirit-filled Baptist to know there is a reliable source of divine knowledge found in the Bible. "To preach the Gospel of Christ one must know what the Gospel is, and this God has revealed and written for us in the Bible.

To move with God this year and next in the Crusade of the Americas means that we must be diligent in searching the Scriptures and proclaiming the glorious Gospel of Christ revealed therein; and that we must walk daily with God in the fellowship of prayer. Leaders in the churches must make sure these matters are always kept before the people in the churches. This done faithfully and sincerely day by day across the weeks and months will bring individuals and churches into vital relationship with God.

It is urgently important that every church be confronted with the opportunity and responsibility of participating with other Baptist churches across the Western hemisphere in prayerful concern for a spiritual awakening to be experienced in the simultaneous revival meetings next spring.

In preparation for the Crusade of the Americas next year, we had an Evangelistic Clinic on February 16 at Caroleen Baptist Church. The pastors met in the afternoon for clinic study on "The Hows of Evangelism." Dr. Hopkins and Rev. Bill Lamb led the afternoon session. Caroleen Baptist Church provided the visiting pastors and guest with the evening meal. The evening session was an associational rally for the associate, and Dr. James S. Potter of Charlotte spoke on "Christ the Only Hope." Also, we had a Sunday School Rally in October with Dr. Cecil Sherman of Asheville speaking on the "Sunday School in the Crusade of the Americas."

Our Association has accepted the date of next March 16-30 to cooperate in the Crusade, and the following church have voted to participate on that date: Alexander, Bethany, Campfield Memorial, Camp's Creek, Cane Creek, Caroleen, Cliffside, Corinth, Fairview, Florence, Floyd's Creek, Forest City First, Goode's Creek, Green Creek, Harmon Street, Haynes Memorial, Henrietta First, High Shoals, Mt. Pleasant (C), Mt. Pleasant (R), Peniel, Race Path, Temple, and Walls.

As soon as a church votes to participate, the Associational Chairman of Evangelism should be notified.

Respectfully submitted,
Richard Spencer,
Chairman of Evangelism

FOREIGN MISSIONS REPORT

"Everybody Ought to Know" has been sung by groups all over our SBC. To paraphrase this song title, "Everybody Ought To Know What Foreign Missions Is." Foreign Missions is more than 2,277 dedicated

American Christians serving in 67 foreign countries for Southern Baptists as of August 1, 1968.

EVANGELISM: Every Baptist ought to know that foreign missions is 11,381 churches and mission points with a total enrollment of 571,647 served by aid of 4,119 national pastors baptizing 46,275 souls last year.

EDUCATIONAL: Every Baptist ought to know that foreign missions is 287 kindergarten, 779 elementary schools, 132 secondary schools, 34 colleges, 6 women's training schools, and 44 theological institutions. A grand total enrollment of 181,639 learning ABC's in their own language and learning of Jesus at the same time taught by 399 missionaries and 6,469 nationals.

MEDICAL: Every Baptist ought to know that foreign missions is 20 hospitals, 88 clinics, 1,438 beds, treating last year 47,580 inpatients and 597,711 outpatients by 58 missionary doctors, 145 national doctors, 65 missionary nurses, and 367 national nurses. These 645,291 patients also heard about Jesus.

PUBLICATION: Every Baptist ought to know that foreign missions is 24 publications centers staffed by 71 missionaries and 566 nationals, publishing, printing, and presenting in national languages 970,942 books, 4,468,831 periodicals, 17,948,782 tracts last year.

ORPHANGES: Every Baptist ought to know that foreign missions is 15 orphanages staffed by 4 missionaries and 113 national workers, feeding, washing, teaching, training, protecting, guilding, and loving 1,168 homeless children. This averages about 10 children per worker.

GOOD WILL CENTERS: Every Baptist ought to know that foreign missions is 25 good will centers staffed by 31 missionaries and 112 national workers. These 143 workers are serving a total of 7,959 adults and children, averaging about 70 persons per worker.

COST & PROFIT every Baptist (sitting on his tithe, refusing to serve in his own church) ought to know. Many years in the past, a statement was often made by uniformed Baptists in opposition to foreign missions that "It takes 95 cents of the mission dollar to get the other nickel to the foreign field." Every Baptist ought to know that our Foreign Mission Board in Richmond, Va., with property value over 1½ million dollars and 134 men and women on payroll, with the cost of salaries, upkeep of property, travel, stationery, stamps, insurance, legal guidance, publicity through the Commission, audio-visual education, literature, Jenkins Library, deputation, recruitment, etc., amounts to 7½ cents out of the dollar they receive. 92½ cents of every dollar given to foreign missions lands directly on the field. Where else in any business can one invest a cost of $7.50 and realize a profit value of $92.50? Every Baptist ought to know what foreign missions is.

R. L. McGaha

HOME MISSIONS REPORT

The church fulfills its mission through evangelism and world missions.

The Crusade of the Americas and Project 500 will magnify the ultimate purpose of all Home Missions work to lead people to know and follow Christ.

HOMES FOR AGING REPORT

The past year has been one of the most eventful years in the history of the Homes. Of primary significance was the opening of the Yanceyville Home on November 1, 1967.

Baptist of North Carolina and our association can be grateful for their record in ministering to the residents in their five Homes for the aging.

About 85% of the residents ministered unto receive assistance through the love gifts of North Carolina Baptists. These love gifts from our Baptist churches come from two main sources: (1) The Special Day Offering, received on the third Sunday of February each year, from which the Homes derive 22½% of their total income; (2) The Cooperative Program from which we receive 12½% of total income. Gifts for 1967 through these two sources were at an all time high and amounted to around $200,000.00.

Let everyone who is contributing to this great area of human need be grateful to the Lord to be a part of a great denomination that has had the vision to plan for the aging and is moving forward in meeting the needs of this very deserving group.

Respectfully submitted,
Robert F. Toney

THE INTERRACIAL COOPERATION REPORT

There is encouragement in the matter of interracial cooperation. Aiding in the work with National Baptists has been the "Statement Concerning the Crisis in Our Nation," adopted by the Southern Baptist Convention on June 5, 1968. Also, the literature, "We Hold These Truths," has opened many avenues for discussion groups to confront the problems of human relations within their churches and communities.

In January a record number of General Baptists attended the State VBS Clinic at Wingate College. Four went from the Gold Hill Association of this area. Also, our Sandy Run Association cooperated with the Gold Hill Association in helping them put on their Associational VBS Clinic.

Our Baptist State Interracial Department has held five conferences on human relations in different areas of the State during the year with 800 in attendance.

Thirteen small scholarships were provided this year for ministerial students at Shaw University, A & T University, and Southeastern Seminary. Three new Week Day programs were held in the western part of the State. An increasing number of seminars, youth retreats, institutes, and discussion groups are being held in churches and associations.

The annual state conference on evangelism, being held in February in Greensboro, is being jointly sponsored by the two Baptist State Conventions. Also, in keeping with the Crusade of the Americas, the Baptist Men and Boys annual convention for the first time next year will be jointly sponsored by the Brotherhood Department of the Baptist State Convention and the Layman's League of the General Baptist State Convention. This meeting is scheduled in Winston-Salem, March 28-29.

A number of college young people have been employed as summer workers. The Home Mission Board has joined our Interracial Department in this.

COMMITTEE ON ORDINATIONS REPORT

The Committee on Ordinations examined two men for the gospel ministry during the year. The first man was Brother Jack M. Upton of the Mountain View Baptist Church. The Smith's Grove Baptist Church, having called Brother Upton for pastor, requested the Mountain View Church to ordain him. The Mountain View Church in turn took place at the Bethany Church on Sunday afternoon, October 8, 1967. The Committee, being well pleased with Brother Upton's answers, recommended his ordination to the Mountain View Church and the Church proceeded to ordain him on Sunday afternoon, October 15, at 2:30 P.M.

The second man who was examined for the gospel ministry was Brother Robert Biggerstaff of the Mt. Pleasant (R) Baptist Church. The High Shoals Baptist Church had called Brother Biggerstaff for pastor and requested the Mt. Pleasant (R) Church to ordain him. Whereupon the Church through the pastor, Brother Wade Bunce, requested the Committee to examine Brother Biggerstaff. The Committee examined him on Monday evening, June 17, 1968, at the Mt. Pleasant Church. Being well pleased with his examination, the Committee recommended his ordination to the Church which took place on the following Sunday afternoon, June 23, at 3:00 o'clock at the Mt. Pleasant Church .

SOUTH MOUNTAIN BAPTIST CAMP REPORT

At South Mountain Baptist Camp this year we had 1,992 GA's, RA's, and weekend campers. Out of this number there were 711 decisions for Christ.

A good number of these were professions of faith. There were 77 attending from the Sandy Run Association.

The Camp had a good season this year. Through special donations the cabins have all been painted and repaired. Most of the bedding has been replaced by gift from Gardner-Webb College.

South Mountain Baptist Camp is owned and operated by Region Eight which includes Sandy Run Association. It is 33 miles from Forest City, less than an hour's drive, all on a paved road. It is located south of Morgantown on old highway 18 between Morgantown and Shelby. One suggested way to go is to turn at Bethel Church in Ellenboro to Polkville, then to Caser, then to old Highway 18, turn left and it is about five miles north.

Next summer the new swimming pool will be open for the first time. The lake will be used for fishing and boating. There are ponies to ride, plenty of places to hike and other recreational facilities.

The Camp is capable of handling over 200 campers per week. It is also available for weekend Brotherhood meetnigs and other outings. In planning for next summer, GA leaders should remember that there will be no GA Camp at Fruitland.

The Camp Director has a film on the Camp and its activities and will be glad to show it at any service or meeting. Write Rev. T. A. Lineberger, Route 1, Box 229-L, Connelly Springs, N. C. 28612.

STATE MISSIONS REPORT

Winning "every creature" to Christ and developing each person to carry out his function as a member of the body of Christ is the aim of state missions.

All of state Missions is dedicated to the worship of God and the proclamation of His Kingdom. State Missions begins as a person enters the door of his church. It goes down every highway and hedge, over every mountain, vale and plain in the state.

Each person witnesses in his state every day of the year.

State Missions this past year has given 800 churches building-planning aid, helped train 200 pastors at Fruitland, and had part in training 25 young people to serve in the Baptist Youth Corps. Also, it has aided in a number of mission Vacation Bible Schools. Across our State, we help place churches where people are. We also conduct a worship service at each of six beaches during this past summer through our State Missions ministry.

State Missions is witnessing to many special groups, including military personnel, juvenile, the deaf, migrant workers, and retired ministers. State Missions helps feed the hungry, physically and spiritually, and ministers to the stranger in our midst. It clothes the naked, aids the spiritually sick and visits those in prison.

"Whom shall I send and who will go for us?" (Isaiah 6:8). Each person can help in the harvest in State Mission fields through prayer and giving. Twenty cents of every dollar given to State Missions goes to help the preachers' school at Fruitland Bible Institute.

Dedicated State Mission money from special offerings and the Co-operative Program can enlighten, heal, and educate. It can save men from despair and suffering. Christ can redeem men from sin through state missionaries. State Mission money will encourage faith and brotherhood.

STEWARDSHIP REPORT
(C. P. Report)

STEWARDSHIP MEANS DIFFERENT THINGS TO DIFFERENT PEOPLE. To some it has no meaning at all. To others the word has been identified only with raising church budgets. When most of us think of our stewardship, we think also of the Cooperative Program. We are taught to be good stewards of our possessions. A local church or convention also wants to disburse its funds wisely. No better plan has been conceived to do this than the Cooperative Program.

What the budget is to the local church, the Cooperative program is to the denomination. It supports all our missionary causes at home and abroad. It is preaching the gospel; it is healing in the name of Jesus through hospitals and clinics everywhere; it is teaching and training Christian leaders for all the great tasks of kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday and as our churches channel a worthy part of their income through the Cooperative Program, we enter into partnership with God and one another in obedience to the command, "Go . . . preach . . . teach . . ."

It is our prayer that each church in this association will examine what it is doing in the light of what it should be doing for missions. We also pray that when this report is made at our annual associational meeting next year that it can be said that every church gave through the Cooperative Program. A lost world is waiting to hear about Christ, and thousands die each year who do not know Him. Many have never heard that He came. What part will we play in making our Saviour known to the uttermost part of the earth? Only you can answer that question.

SUNDAY SCHOOL REPORT

"The Church Fulfilling Its Mission Through Ministry," one of the tasks of the Sunday School, has been the theme of the work during the 1967-68 Sunday School year.

Churches of the Association were encouraged to follow through on this theme in each of the meetings held. Ideas and materials to assist churches in the ministry to their community were presented with suggestions as HOW actions could be carried out and WHO should carry them out.

In December, the Associational Sunday School provided opportunities for the study of the January Bible Study book, "Studies in Luke's Gospel."

This study was for pastors and others who would teach the book in their churches. Dr. Joseph McClain, pastor of First Baptist Church, Shelby, was study leader. Gardner-Webb College served as host and provided classroom space for this study.

Assisting the Training Union in the Associational Central Training School, two classes were taught by Sunday School officers in the areas of Administrations and Methods. These classes served to give additional training in Sunday School work. (An observation: Steps need to be taken by church leaders to insure that more teachers, officers, and leaders participate in this annual training event.)

Two Vacation Bible School Clinics were conducted in April, assisting churches of the association in preparing for their school. A Day clinic and an evening clinic provided ample opportunity for VBS teachers to equip themselves for their teaching. (An observation: Churches would do well to enlist teachers earlier in order that they might participate in these annual clinics.

The Association also provided a VBS Clinic, furnishing teachers and materials in cooperation with the Gold Hill Association. (This was found to be a fertile field for presenting additional leadership training.)

Fifty-seven churches reported a VBS, showing over 4,500 children enrolled in Bible study and other learning experiences. This represents a decrease of one less than last year. A mission Bible school at the Chapel in Forest City, enrolling 50 children, was conducted by the youth of the First Baptist Church.

In September, the work of the new Sunday School year was introduced through the Associational Crusade of the Americas Rally. Rev. Richard Spencer shared some idea on the meaning of the Crusade as it relates to the 1968-69 Sunday school function of "A Church Fulfilling Its Mission Through Evangelism and World Missions." Dr. Cecil Sherman, pastor of the First Baptist Church, Ashville, brought a challenging address on the work of the Sunday School and its significance to the Crusade of the Americas.

Two observations: Pastors and other elected church leaders need to cooperate with and show their support for all associational activities. Churches would do well to have at least one worker or more from every age group present at all Associational Sunday School meetings.

Tom Quick

TRAINING UNION REPORT

"M" Night was held at the Spencer Baptist Church on Monday night. November 27, 1967. The attendance was 777.

Associational Baptist Youth Night was held at the Caroleen Baptist Church on Saturday night, March 16, 1968, and was well attended by many of our young people.

The Associational Training Union Tournaments were held at the Adaville Baptist Church on Tuesday night, March 19, 1968, with a good representation from many of our Training Unions.

Many changes are being made in our Training Union Program, and our people need to keep themselves informed on these changes.

The Training Union is cooperating in the Crusade of the Americas.

WOMAN'S MISSIONARY UNION REPORT

Because good leadership is trained and informed leadership, we taught the WMS Basic Leadership Course September 25-26 at First Baptist Church, Forest City. A total of 114 cards were earned. Additional training was given all WMU Officers and Youth Leaders on September 28 at a Leadership Conference.

November 16-18 Mrs. James F. Marchman, Jr., Mrs. J. E. Cargill, and Mrs. Eugene Wilson represented our Association at the North American Baptist Women's meeting in Washington, D. C. This meeting is held once every five years.

The Associational YWA meeting, led by Miss Janet Morrow, YWA Director, was held at Bethany Baptist Church, February 12. Miss Marjorie Bridges, brought a missionary message to the girls and leaders from the 12 churches represented.

March 12-14 was the date of our Annual State WMU Convention in Asheville. Miss Martha Jean McFarland, Mrs. James F. Marchman, Jr. of the WMU Executive Board attended.

Miss Janet Morrow, Mrs. Robert McBrayer, Miss Martha Jean McFarland and Mrs. James F. Marchman, Jr., went to Gastonia to the State Interpretation Meeting March 21, to learn the new organizational plans for WMU.

Our Annual WMU Spring meeting was at Bethany Baptist Church on April 25. Mrs. J. Frank Gilreath, State Mission Action Director, interpreted the new WMU plans for the 250 women present who represented 31 churches.

One Associational Mission Study Class was taught by Dr. J. Stephen Morrisett at Cliffside Baptist Church on July 11.

Something new, an Associational Retreat for all GA's was enjoyed by 218 girls and their leaders at Camp McCall on July 24. Mrs. R. W. Buckner taught a stewardship book and Mrs. William T. Roberson, former missionary to Vietnam, closed the retreat with a missionary message.

The Sunbeam Day Camp for 8 Year Olds, under the direction of Miss Marjorie Bridges, was held on August 1 at Mt. Pleasant (C). Miss Bertie Lee Kendrirk of Hawaii was our missionary and Miss Bernice Popham, State Sunbeam Director, was also with us.

All our Associational Officers for 1968-69 attended the State Workshop for Associational Officers' September 6-7 at Black Mountain to better prepare to lead effectively in the new plan of work next year.

We are happy to report new WMS organizations this year in two churches that have had no WMU organizations. They are at First Broad and Smith's Grove Churches.

In addition to the above activities, I have attended the Sandy Run Annual Session, the Baptist State Convention, the Associational Board meetings, the Best Seminar at Gardner-Webb College and helped in many local churches when requests came for help in various ways.

Respectfully submitted,

Mrs. James F. Marchman, Jr.,
Assoc. WMU President

Churches are to be accepted under the watchcare of the Association for a period of one year in order that the above may be determined.

Sec. 4. The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice, or that fails to represent itself either by messenger or letter, for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

Sec. 5. Any church may withdraw from the Association at its pleasure.

Sec. 6. In case of internal dissention in a church and two parties coming up to the Association, each claiming to represent the church neither party shall be seated as messengers until the question is decided as to which party is the church in union with the Association. The decision is made by a majority of messengers present.

Article III — Objects

RESOLUTIONS COMMITTEE REPORT
(quote)

WHEREAS, we believe that the Church in this world is the material witness of the Lord Jesus Christ, and

WHEREAS, we believe that the Bible is the Word of God and that it gives directions for the life worth living, and

WHEREAS, we believe that Christ is the only hope, that he is the answer for our age, and

WHEREAS, we believe that His claim calls for the highest of which men made new are capable, and

WHEREAS, we believe that Christianity is an aggressive influence and

WHEREAS, we believe that when evil makes a motion, it is our responsibility and obligation to stand up and be counted, and

WHEREAS, we believe that public or private display of lewd, immoral, obscene, profane and sexually suggestive films appeal only to man's lowest nature, and

WHEREAS, we believe that people are influenced and become a part of all they see and hear,

Now, therefore, be it RESOLVED that a letter of appreciation from the Sandy Run Baptist Association and the Pastor's Conference of the same be sent to the Sheriff and Deputies of Rutherford County, North Carolina commending them for their effort to enforce the present laws of our state which we designed to prohibit the showing of such films, and

Therefore, be it further RESOLVED that we express concern to news media, individually and collectively regarding such motion pictures and requesting them to employ maximum discretion in reporting future developments surrounding the current controversy of such films in Rutherford county.

Be it RESOLVED, that we express our grateful appreciation to Race Path Baptist Church and the Florence Baptist Church for the hospitality they have extended to the Sandy Run Association in holding their eightieth meeting of the Association in their churches.

Be it RESOLVED, we express appreciation to the Program Committee and Program Personnel whose labor of love provided spiritual nourishment for our soul's and conducted affairs of this Association in a Christian way.

Dean M. Weaver (for the Committee)

(5) M. D. Blanton, Chairman of Committee on Study of the Constitution, presented the printed recommendation of the committee, consisting of five changes, for disposition by the association. The Moderator suggested that each change be voted on individually, as listed, and each one was approved.

REPORT OF COMMITTEE ON STUDY OF CONSTITUTION

The Committee suggests the following changes in the Constitution:

1. The original of Article VII, Section 1, 6, reads as follows (see 1968 Associational Minutes, page 6):

"This Committee shall be composed of the Treasurer as Chairman, Moderator, Sunday School Superintendent, Training Union Director, W.M.U. President, Brotherhood President, Church Music Director, and as many . . . "

The Committee recommends that it read as follows:

"This Committee shall be composed of the Treasurer as Chairman, Moderator, Sunday School Director, Training Union Director, W.M.U. Director, Brotherhood Director, Church Music Director, and as many . . ."

2. Article VII, Section 1, 10, (10), reads as follows (see 1968 Associational Minutes, page 7):

"Temperance and Civic Righteousness" and (13) reads as follows: "Christian Life." These are titles of two committees whose duties are so closely related that our Committee recommends that the two committees be combined and the title of the new committee be:

(10) "Christian Life and Public Affairs."

3. Since our Baptist State Convention has a Department of Interracial Cooperation and our Constitution does not provide for such a committee to work in this area and to make a report, our Committee recommends that Article VII, Section 1, 10, add a committee entitled "Interracial Cooperation."

4. Also, since we have a Committee on South Mountain Baptist Camp (see 1968 Associational Minutes, page 17) but no provision for such a committee in the Constitution, our Committee recommends that Article VII, Section 1, "11. Committee on South Mountain Baptist Camp" be

added, and this be added too. "The Committee on Committees shall appoint this Committee, naming the chairman. It shall promote the Camp and keep the Association informed about its progress. The chairman shall make a brief written report at the annual session of the Association."

5. The original of Article V, Section 4 reads as follows: (see 1968 Associational Minutes): "The Missionary of the Sandy Run Association shall work with and assist the churches and missions of the Association in the promotion of their work and shall be under the supervision of the Associational Board."

The Committee recommends that it reads as follows:

"The Missionary of the Sandy Run Baptist Association shall work with and assist the churches and missions of the Association in the promotion of their work and shall also work with the various committees of the Associational Board in an advisory capacity and shall be under the supervision of the Associational Board.

Respectfully submitted,
Com. on Study of Constitution
M. D. Blanton, Chairman

(6) The Moderator brought a recommendation from the Steering Committee, that our association-wide mission emphasis be on "Evangelism, Youth-Centered" in 1969-70, which was approved.

33. The new officers for the coming year were installed at this time, the prayer of dedication was led by W. F. Walker.

34. The Moderator expressed appreciation to W. Van Carroll for the good work he did in preparing reports and program for this session.

35. Dr. W. R. Wagoner, President of Baptist Children's Homes of North Carolina, spoke on "Baptist Churches in the 1970's and the Baptist Children's Homes of N. C."

36. C. F. Wilson, Chaplain at North Carolina Baptist Hospital, Winston Salem, brought a report of the work being done there.

37. Wm. A. Poole brought an interesting report of the Homes for the Aging, and what the churches may do to help with the more than two hundred who live in the five homes.

38. In the absence of Floyd Seay, L. N. Epley led in a memorial service for those of our association deceased since our last session.

39. Edgar Lineberger led the congregation in the singing of a hymn.

40. Dr. Cecil Sherman, Pastor of the First Baptist Church, Asheville, brought a most challenging message on the subject, "Baptist Churches in the 1970's," closing with a prayer.

41. Special music was presented by the East High School Sextette, directed by Mrs. Erma Withrow, "Oh! Jesus I Have Promised."

42. The program having ended and there being no further business, Moderator Dillard Mynatt called upon the newly elected Moderator, Roy Bradford to lead in prayer of thanksgiving for the noon meal.

There were 313 messengers and visitors registered on the second day.

The bountiful lunch was served by the host church and Glenwood, Mt. Pleasant (R), Harmon Street and Alexander Churches.

AMERICAN BIBLE SOCIETY REPORT

In our world with all its confusion, people MUST have the Bible because it presents Jesus Christ as the one hope of men and nations. Each person must have the Bible in his own language because it speaks to his heart as no other language can speak. However, there is a world-wide shortage of Bibles and this is due to the cost of printing, which some countries and people are unable to pay. Even in our own America there are still those who do not have as much as a copy of the New Testament. Is it right for some of us to have two or more copies while some do not have one copy.

The Bible is the essential tool of Missions and evangelism. The missionary uses it in all of his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he leaves and keep on speaking to a person's heart day by day.

The American Bible Society is a non-profit organization serving churches of many denominations in the U.S.A. and around the world. Its main business is to translate the Bible in as many languages as possible and to give it to the people at the lowest cost possible. The Society always prints the Bible without note or comment. It also supplies Braille Bibles for the blind as well as Talking Bible records and tape recordings.

"God's Word for a New Age" is the theme of the program of world-wide missionary advance being carried on by the American Bible Society, in cooperation with 34 other National Bible Societies around the world. Its aim is to provide greatly increased quantities of Scriptures urgently needed for mission work.

Some goals are:

a Bible for every christian home

a New Testament, at least, for every christian

at least a Gospel, or other complete book of the Bible, for everyone who can read

an opportunity for every church member to share in local Scripture distribution

In 1968 Southern Baptist churches gave $222,937 to the American Bible Society and ranked first among all denominations. Gifts from all churches in the U.S.A. totaled $1,312,615.

Can a dollar be spent any place to do more good than spent to give someone the Word of the Lord?

ANNUITY BOARD

There are at present forty-one churches participating in the Southern Baptist Protection Plan in the Sandy Run Baptist Association. Also, the Association is participating along with Brother W. V. Carroll. The

number of churches not participating, is twenty-three out of the sixty-four churches in the Association.

Response to the three-plan Protection Program was good during 1968. The Program includes: Plan "A", the basic retirement fund; Plan "B", the supplementary fund; and Plan "C", the variable fund. Response was also good in the Life and Health Benefit Plans.

Highlights of 1968

1. 3,451 new members in the Southern Baptist Protection Program.
2. 23,714 members now participating in Plan "A", 1,538 more than in 1967 (1,367 members in Tennessee)
3. 18,086 churches providing protection for their pastors. (1,101 churches in Tennessee.)
4. 145 agencies providing protection for 9,894 employees.
5. $173,863 given in relief grants.
6. $6,543,169 paid in total relief and protection benefits.
7. 3,106 applications for Health Benefit Plan, 1,677 net gain.
8. 790 applications for Life Benefit Plan, 134 net gain.

Third Year for "13th Check"

For the third consecutive year, the Annuity Board issued a "13th Check" to all recipients of life retirement benefits. The extra check, amounting to 12% of each person's annual benefit, was made possible by interest earnings in excess of the amount necessary to pay the retirement benefits. The excess earnings are distributed to plans of active members as well as to retired persons.

Information about the Protection Program and the Life and Health Benefit Plans can be obtained from Protection Plans, Tennessee Baptist Convention, P.O. Box 647, Brentwood, Tennessee 37027, Paul R. Phelps, Director.

Each church and each minister should participate in the Southern Baptist Protection Program. Plan now, for the future of yourself and your family. You owe it to those you love!

BAPTIST HOSPITAL REPORT

Our Medical Center continues a high quality program of medical care, training of medical personnel, and research in the causes and treatment of the diseases which afflict us. In the face of serious financial problems, the hospital staff is working more diligently than ever to minister to our people in keeping with their needs and to the limit of the hospital's resources.

The hospital has instituted more efficient admission procedures regarding patients' financial resources and plans for payment of hospital bills. Trained counselors are interviewing patients and their families regarding advance payments which are now required and for getting more accurate information on those who will need help. In this way they are able better to discover those patients who may be eligible for medical care assistance through Social Services departments or other health agencies, and can start proceedings at once for getting these patients certified if this has not already been done. These agencies pay a major part of the cost for a patient they certify, but not the total cost, and the Mother's Day Fund must pay the balance. A member of the family must go to the agency and give the necessary information, and getting this done is often a real problem. Many of our pastors have helped in this connection and have rendered important service for the patients and the hospital.

If it were not for the help which comes from these health agencies, our Mother's Day Fund would not last for three months. After paying the difference between what the agencies pay and the total cost for these patients, the Mother's Day Offerings are used to help as many as possible of those who are not eligible for certification and who them-

selves cannot pay the total cost of their care. First preference must be given to those patients whose needs are greatest and most urgent. The free care the hospital gives must now be limited in keeping with funds provided for this purpose, however, because the hospital cannot continue to go deeper in debt.

It is important that our people understand that all of the Mother's Day Offerings and designated gifts for this ministry are used for this purpose alone, and the hospital makes them go as far as it possibly can. The trustees and Administration of the hospital are most grateful for the fine cooperation our pastors and our people are giving, and they earnestly solicit our understanding and generous support.

ASSOCIATIONAL MISSIONARY'S REPORT

Quite a little of our associational work for the year is about as usual, but we wish we could report unusual progress. We are losing three of our churches in Polk County to the newly organized Polk Association. However, the Mt. Pleasant Mission is being organized into the Pilgrim Baptist Church and will join our Sandy Run Association.

Our associational WMU work is quite encouraging, and the associational Brotherhood work is making progress also.

The Missionary's activities were as follows: He delivered 27 sermons and messages, taught 16 Sunday School lessons, visited in most of the churches and in at least 139 services, presented pictures 18 times, helped in a ten day Vacation Bible School, taught the January Bible Study course, helped ordain three preachers, helped in two ordinations services of deacons, held 170 or more individual and committee conferences and a few telephone conferences, mailed eleven issues of bulletins consisting of 7,965 copies and 7,979 letters and cards. Also, he attended 34 or more associational meetings (committee meetings, pastors' conferences, workshops, Board meetings, etc.) and 24 regional, state, and Southern Convention meetings. In addition, he took in a week at Fruitland, commuted to Ridgecrest most of one Sunday School Week, and stayed at Ridgecrest for Home Missions Week.

BAPTIST FOUNDATION REPORT FOR 1969

C. Gordon Maddrey, Executive Secretary

The North Carolina Baptist Foundation, Inc., renders a service to: (1) God, (2) individual Baptist, and (3) Baptist agencies and institutions. Every Baptist has an opportunity through his Foundation to provide for continuing stewardship in the agencies and institutions in which he has an interest.

The Foundation has again this year put particular interest upon the making of wills. Several of our churches have used the facilities of

the Foundation to conduct Will Clinics and reports from these clinics indicate that they were most successful. We have also had an opportunity to counsel with many people concerning their own wills, and in some instances we have provided the information and direction necessary for inclusion of Baptist causes in their will.

The assets of the Foundation, have now reached beyond the one million dollar ($1,000,000) mark, including trust funds and real estate. Since the reactivation of the Foundation, around 1962, the total assets have increased from $350,000 to the present excess of slightly over one million. This is positive proof that the Baptists of North Carolina have discovered that the Foundation is really a service arm of the Baptist Convention of North Carolina.

Ad Hopper

BROTHERHOOD REPORT

A Brotherhood program in a Baptist Church is composed of either of the following units: Baptist Men, Baptist Young Men, and Royal Ambassadors. When the church has only one of the above units, it has a Brotherhood. We now have in our association 42 Brotherhoods, a gain of two, and also some new units for the men and boys have been added.

The Sandy Run Church has organized a men's unit, and so has Sandy Springs Church organized a men's unit, and Goode's Creek Church has organized a unit both for the men and the boys.

Last October in the Race Path Church a Brotherhood workshop was held with our State Brotherhood Secretary, Ed Bullock, furnishing the workers. Supper was served the first night to a large group, and the attendance the second night was good.

This fall we held another Associational Brotherhood workshop at the Sandy Mush Church on Monday and Tuesday nights, September 29 and 30, opening with supper on the first night. Brother Ed Bullock again brought four conference Laders to help in the workshop. It was quite successful with about 100 in attendance.

The RA Conc'ave was held last fall at the Chase High School. An overflowing crowd showed up for the afternoon and evening activities. The program was under the direction of the RA Leader, B. A. Marshall.

Our Mission Action Leader, W. M. Hopper, is doing a splendid job getting Sunday School lessons taught in the State Prison Camp. Men continue to respond.

Next year some change will be made in the Brotherhood work. The men will have the boys 6 - 8 added which will mean more responsibility in the work. Changes also will be made in men and boy's magazines. The changes will begin October 1970.

A personal word, the Brotherhood work has been a blessing to me. We now pass on the work to a new director, as our Sandy Springs Church joins the Polk Association.

Respectfully submitted,
B. M. Strickland

BAPTIST CHILDREN'S HOMES REPORT

North Carolina Baptists are fortunate to have one of the finest programs in the nation for the care and development of dependent children and for strengthening and supporting family life. More than 1200 children and their families are served annually.

The Children's Homes, through a variety of quality services, unfolds on six campuses and through the work of regional casework centers throughout the State.

More requests for services are now coming to the Baptist Children's Homes than at any time in our previous history. All agency beds are filled and all available money is being utilized. We, too, have been caught in the rising costs of living and in an inflationary economy. A wider variety of quality services are being demanded to meet the needs of children who are the products of today's complex society. Present economic conditions make it necessary to have additional operating income with which to maintain the current program before any further expansion of services can be considered.

Friends of the Children's Homes, in Western North Carolina, have responded generously to the Founders and Builders Program to raise funds with which to establish the Broyhill Home to serve children in Western North Carolina. Sufficient funds have been given and pledged to purchase the land, to prepare the site and to construct the first two cottages for children. When the campus has been completed provision will have been made for four cottages for children, a multi-purpose administration and activities building and a home for the superintendent. With the support and cooperation of Baptists and other friends of the Homes another ministry is being developed in Asheville. A home in which to serve unwed mothers and their offspring will be opened sometime this fall.

By the use of designated gifts and bequests from individuals and families, significant progress is being made. Two cottages are now under construction at Mills Home. A recreation building and an infirmary at Kennedy Home and two cottages for children at the Broyhill Home are scheduled for construction during the next year.

Contributions of our Baptist people are received with deep appreciation. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the preparation of wills.

CHRISTIAN LIFE COMMITTEE REPORT

The application of the Christian faith to the varied problems of life has been the aim of the Christian Life Commission of the Southern Baptist Convention, and of the leadership of our State Convention involved in this specific area of concern.

The problems are many. They are found in family life, race relations, daily work, Christian citizenship, the urban crisis, poverty, war, and peace, abortion, violence and immorality on television, drug addiction, pornography, and civil disorders, to name some of the most important.

The Christian Life Commission is also deeply concerned about the matter of Extremism — Left and Right. In the words of Dr. Wayne

Oates "Extremism is an individual or group reaction against threat, the sense of threat being out of keeping with reality." Extremists, says the Commission, go beyond the bounds of reasonable action, excessively and zealously expressing blind attachment to a particular point of view.

Perhaps the following statement by the Commission sums up the matter: "Extremism to the left or to the right is a threat not only to our national life but also to the cause of Christ and the life of the denomination. Both expressions of extremism in the church are equally disruptive and destructive. Both have theological overtones when found among church members. Those of the left would turn the church into an agency of political pressure for radical restructuring of society while ignoring the supernatural dimension of God's saving grace in Jesus Christ as it changes individuals. Those of the right declare that the church's concern is only for man's soul and seek to force every member into a rigid adherence to the Bible as they see it, while ignoring the strong, pervasive emphasis of our Lord upon a costly discipleship which places moral and ethical demands upon every Christian in all personal and social relationships. "

It would seem that it is time for every Christian to examine his relationship with others in the light of his relationship with Christ and make whatever adjustments are necessary to be Christian in this area. It would also seem that it would be wise for every Christian to examine his attitudes and relationships toward the world in the light of his relationship with Christ and apply his Christianity in this area as well. As Dr. Stephen Olford said in one of his messages "Christianity in the final analysis is reacting to all of life as Christ would react." If we do this, we can rest asured that God is pleased with and honored through, our lives.

CHURCH LIBRARY REPORT

The church library is steadily growing in number and interest in our association. There were fourteen present for the associational training program, held at the First Baptist Church in Forest City, April 14-16, 1969. Most of the librarians attending the training program were beginners and all were eager to learn about how to set up a church library.

Three church librarians attended thhe Library Conference at Ridgecrest in August and two librarians attended the library program of the Sunday School Training Program in Morganton, September 8.

Church librarians have the title now of Director of Library Services.

It is our desire that every church in our association will see the need to include the library in the church budget for next year.

CHRISTIAN LITERATURE REPORT

The year 1969 has been one of the most significant in the 136-year history of the **Biblical Recorder**. True, we cannot point to any spectacular gains in circulation, but each week the **Recorder** is read by almost 300,000 North Carolina Baptists in some 90,000 homes. For almost a century and a half the **Recorder** has played a vital role in the life of our convention and state, and it will continue to do so.

Our pages this year have carried a variety of reports of the activities of Baptists all across the state. Early this spring membership in our 3,454 churches passed the one million mark — a historic milestone. We also carried numerous stories and reports of the progress of the Crusade of the Americas.

The first half of this year, of course, saw much of the news interest focused on the General Assembly. Possibly more than any other assembly to date, this year's session was of vital importance to Baptists and other Christians across our state. Because of this importance, the **Recorder** gave special emphasis to reporting moral and social issues being considered by the legislature. Our readers responded in marvelous fashion, making the impact of the church felt throughout the state.

Whenever something significant was happening among North Carolina Baptists, our readers were aware of it. We hope to offer expanded coverage in the future and will always strive to improve our effort. We want to be good stewards of the trust North Carolina Baptists have placed in us.

Naturally, we hope that this stewardship will be rewarded with more participation in readership in our churches. The **Recorder** should be in every Baptist home.

We would like to commend the **Recorder** for its coverage of the General Assembly and its stand on the liquor issue. It is good for Baptists to have a witness to "Stand in the gap and fill in the hedge," where it counts. I trust that we will always have a voice in issues that tear down christian principles.

CITY AND METROPOLITAN MISSIONS REPORT

The City and Metropolitan Missions Department of our State Convention seeks to promote a total mission program in all of North Carolina.

The projected population growth of our state reveals a need to reach more people in the days ahead with the Christian witness of our churches. This department is the urban missionary effort of our convention to assist the churches and associations in extending this witness.

Metropolitan missions has three distinct phases of work:

1. The General Urban Church and Associational ministries.
   (1) Churches and associations have been assisted in specific urban needs and long range planning of associational city ministries.

(2) Conferences, Seminars, and Clinics have been held on this area of work.

(3) Urban institutional ministries have been encouraged among industry, hospitals, rest homes, etc.

(4) New Church lot assistance has been provided for 17 churches.

2. Metropolitan Christian Social Ministries.

Jesus on the multitudes and also the individual. It was a compassion that met their physical, moral and spiritual needs.

(1) Associational Programs. The associational Christian Social Ministries includes services in Baptist Center work (kindergarten, weekday activities, Goodwill Centers), Rescue Missions, Youth and Family Services, Literacy, Migrant and Relief Ministries. The New River and the Gaston Associations are doing a fine work in this field.

(2) There are two full time Baptist Center programs in our state: The Patterson Avenue Baptist Center in Winston-Salem and the Dan Valley Baptist Center in Eden.

A church-community weekday project was operated in the West Hillsboro Church community in the Mount Zion Association, and also, one was operated in the moblie homes of the New South River Association near Fayetteville.

(3) Youth and Family Services. This ministry has been carried on in the Raleigh Association in cooperation with the Home Mission Board.

Two limited part-time programs have been launched this year, one in the Mount Zion Association and the other in thh Central Association. There are many more places where this ministry is needed.

Many associations are electing Youth and Family Committees to perform a voluntary ministry in this phase of Christian work.

Adult Rehabilitation also comes under the head of youth and Family Services. A special project in this field was held in the Yates Association this year.

(4) Literacy Workshops were conducted in several associations.

(5) Migrant Work. A cooperative ministry of this nature was held in Henderson County, and in the Atlantic Association in the East.

3. Work Related to Non-Evangelicals. Some workshops have been held to help with the work among the Jews, Catholics, Christian sects and Non-Evangelicals. There are tracts and pamphlets that give help.

CIVIC RIGHTEOUSNESS REPORT

(Christian Action League)

From one stand-point this has been a good year for those who are deeply concerned about the beverage alcohol situation in North Carolina.

The 1969 General Assembly wrestled with some issues which, if they had passed, would have greatly liberalized the laws relating to sales

and would thereby have increased the consumption of alcohol. We rejoice that the General Assembly defeated the following bills:

The state-wide bill on whiskey-by-the drink.

The Mecklenburg County local option bill on liquor-by-the drink.

The Moore County local option bill on the same.

The Baugh and Carson state-wide bill on all or nothing. This bill offered two alternatives: total prohibition or a continuation of the present system plus local option on liquor-by-the drink.

We are grateful that the following bills were passed:

1. The implied consent bill which calls for a mandatory loss of license upon refusal to take the test for driving under the influence of alcohol.

2. A bill to increase taxes on beer and whiskey.

REPORT ON EVANGELISM

The simultaneous revival meetings held last spring in our association, March 16-30, as a part of the Crusade of the Americas bore evidence in some places of being genuine spiritual revivals. Where God's people sowed bountifully, they reaped gloriously.

As we face the future in evangelism, we should take note of what happened this year where some outstanding revivals were experienced. This will give some guidelines for future plans in evangelism.

1. In every church where an unusual revival was reported, there had been an unusual prayer concern and prayer participation across several months on the part of the church people — usually the leaders. This definitely says something to us for the future: depend upon the Holy Spirit.

2. Some of the most powerful revivals in our association started among the young people of our churches. Young people are prominent in many places today (mostly in worldly places), and it is encouraging to know that when they offer themselves to God to be used in His purpose, as many are doing, that revivals break forth in the churches. Let us challenge our youth for Christ!

In the light of what we have observed this year, here are some "musts" for the future:

1. To seek earnestly to be completely assured in our hearts and minds that the only hope for us and all people is Christ — Christ as He and His gospel are revealed by the Holy Spirit through the Bible.

2. To purpose to engage daily in searching the Scriptures and in praying for spiritual revivals in all our churches. Some have made a beginn-

ing in this vital matter and all other Christians should join them and continue steadfastly therein.

3. To proclaim faithfully "publicly and from house to house" (Acts 20:20) the glorious gospel of Christ, and to make this purpose central in all church plans, programs and activities.

Respectfully submitted,
Richard Spencer,
Chairman of Evangelism

HIGH POINTS OF THE YEAR'S WORK

496 baptisms for the year, a gain of 27, but a ratio of 1:51. Glenwood, Goode's Creek, and Pore's Ford had the fine ratio of 1:8 or better.

20,085 membership, a gain of only 92, but 5,198, or ¼, were non-resident!

The Sunday school roll was 13,687, a loss of 202 and the smallest roll in years and years and years!

8 churches did not report a VBS, more than for several years, but an enrollment of 4,772, the largest enrollment in many years.

13 churches without a Training Union, a drop of 95 in enrollment, but still more than in many years except for last year.

Only 13 churches without a WMU! Our ladies are really working!

31 Brotherhoods reported an enrollment of 522, and 32 churches reported 507 RA's.

The number of tithers have been increasing year by year. 54 churches reported 2,754 tithers, 5 churches with 100 or more and one church with 390!

Total receipts were almost $1½ million, an increase of $73,193, and expenditures were almost $100,000 over $1½ million.

Total mission gifts amounted to $250,509, an increase of $10,598. The C.P. (Cooperative Program) gifts were $132,197, an increase of only $649. The channel for carrying our mission gifts has hardly been enlarged.

Look at our associational program gifts. Total gifts were $14,318.72 or .9% of the total expenditures. Our budget for the new year is $16,543, over $2,200 more than was given the past year. How we wish all our churches were participating financially! Why not put the associational program in your church budget on the basis of 2% of regular church offering receipts with the exception of building funds? Our Home Mission Board suggests the percentage basis.

HOME MISSIONS REPORT

We have come to the point in the life of our nation and of our denomination when our best is needed. There are at least seventy-five million unchurched people in our country, and pressing problems call us to give our Christian witness in every area of human life and experience.

To a society convulsed by assassinations, riots, election, disorders and other crises; to a society gaining a new awareness of its poor, its affluence, and its loss of values, Southern Baptists were led by their Home Mission Board to respond during 1968 primarily through these emphases: ESTABLISHMENT OF NEW CHURCHES IN PROJECT 500 — More than 150 of the five hundred projections were started (30 percent of the goal within 40 percent of the time.) The project was slowed because of inadequate funds, and many of these started were without financial aid.

PREPARATION FOR THE CRUSADE OF THE AMERICAS — Numerous preliminary meetings, such as a thousand associational rallies, were held. Telecasts were prepared for national release, and hundreds of other actions were taken to prepare for the year of witnessing in 1969.

A force of 2,385 missionaries serve in all fifty states, plus Panama and Puerto Rico. While 406 were appointed during the year, this represents an increase of but eighty-five. Thirty-five appointees were US-2ers, young collegiate graduates enrolled for two years service. In addition, 897 college students served as student summer personnel for ten weeks. Most of this missionary force is jointly employed with a state convention, association, or local congregation.

A missions philosophy has been communicated by pioneer missions that will lay the base for new directions in keeping with the guidelines adopted by the Board. This program reported 114 home fellowships, 108 new churches or church-type missions, and 5,218 additions. By 1970 every city with 75,000 people is expected to have been entered by Southern Baptists.

Your Home Mission Board seeks to help churches, associations, and state conventions in determining needs and opportunities and in finding ways to meet these needs. Please call on us for any help which we may be able to offer, and pray for every missionary, as we live, serve, and give to the end that America will become a Christian nation to a degree never yet true. God's Word reminds us, "Blessed is the nation whose God is the Lord."

REPORT ON BAPTIST HOMES FOR THE AGING

Never before have your Baptist Homes for the Aging been more conscious of the Lord's presence and of his goodness than during the past year. On the 3rd Sunday of February, the day of the special offering, the churches came through with an offering that promises at this point, to be the greatest in the Home's history.

The Homes shall coninue to be a relationship of trust in the Lord and faith in our Baptist people. I personally hope that a continued and sustained effort will be made by our churches to increase and strengthen the amount of the two main means of support for the ministry to the aging—the special offering and the Cooperative Program. Through these two sources, one-third of the total income for the Homes is derived, and 85% of the residents, who are financially dependent, are cared for and supplemented.

This past winter I with Van Carroll visited Hayes Home in Winston Salem. It is a deeply rewarding experience to see the light and joy of Christ on an older person's face and nurture that North Carolina Baptist people are making possible through this ministry. A visit to one of the Homes will bless your life. I believe, therefore, that our Baptist people will want to have an ever-increasing part in so worthy a labor of love in the Master's name. The Lord will not fail us, and I also believe that our people will want to be as faithful as possible, with their support to the Baptist Homes.

Respectfully submitted,
Robert F. Toney

INTERRACIAL COOPERATION REPORT

Baptist in the two state conventions have strengthened some established work during 1969 while opening new avenues of service together.

Members of the General Baptist State Convention shared in the annual statewide Vacation Bible School clinic at Wingate College in January. A new feature on the program was an inspirational message delivered by Dr. Leon Riddick, a Negro pastor from Charlotte.

For the second time, the two conventions co-sponsored a statewide conference on evangelism which was held in Greensboro. The first statewide co-sponsored Men and Boys Convention was held in Winston-Salem in March with a record attendance of over 7,000.

The annual series of conferences on human relations was held last April in the areas of Durham, Chapel Hill, Ahoskie, Wilson and Gastonia.

Other use of Negro talent in statewide programs: the Baptist Youth Convention at Lumberton last May featured Dr. F. G. Samson, a Louisville, Kentucky, pastor. Also, Dr. and Mrs. C. R. Edwards of the First Baptist Church, Fayetteville, served as the first Negro Conference leaders at Caswell Baptist Assembly during World Mission Week last June.

Various churches and associations have encouraged the program of work with National Baptists on the local level. Our own association helped some of the Gold Hill Associational representatives go to the State VBS Clinic at Wingate College early this year, and we also helped them put on a VBS Clinic in their association.

Scholarship aid was provided by our State Convention for 22 students in several educational institutions.

MUSIC MINISTRY REPORT

Dr. W. Hines Sims, Secretary of the Church Music Department, Nashville, said recently, that "Since practically every church utilizes music in some way, the program should be reported." According to the Uniform Church Letter to the Association in 1968, a total of 18,033 churches reported enrolment of their music programs, but 16,590 reported none.

Our percentage of churches reporting is much better than the national average, but there is still room for improvement. Forty three of our churches reported their music programs while only twenty-one did not. We want to commend those who have reported and urge others to report their music program and enrolment at the end of each year.

Outstanding events and musical opportunities offered during the past year were:

(1) Two performances of Handel's THE MESSIAH ,one in Spindale and one in Forest City
(2) Regional Choir Festivals in Shelby and Morganton
(3) State Junior Choir Festivals at Mars Hill College
(4) State Youth Choir Festival at Ridgecrest
(5) Youth and Junior Music Assemblies at Southport
(6) Courses in Music Theory, Voice, Song Leading and Choral Conducting offered during Central Training School
(7) Participation in the Annual Festival in the Park in Charlotte involving a chorus of 32 and brass ensemble of eight members

As similar opportunities are offered during the coming year, we wish to encourage more of our churches to participate. And, knowing the value of music in education, in worship, and in evangelism, we urge each church to evaluate its program of music and to strive for improvement.

Joe Justin Walters

COMMITTEE ON ORDINATIONS REPORT

The Committee on Ordinations examined four men for the gospel ministry during the year.

The committee met October the 13, 1968, for the purpose of examining brother Dan Wallace who had been called by the Pleasant Grove Church in the Green River Association. The committee recommended brother Wallace for ordination service to be held at the Mt. Pleasant (C) Baptist Church, Sunday afternoon October, 27.

June 3, 1969 the committee met and examined two young men for the gospel ministry, brother Lewis J. Hicks, and brother Robert G. Buckner. Brother Hicks had been called to the Chase Baptist Church. Brother Buckner had been called to the Forest Hills Baptist Church in Texas.

These men were unanimously recommended to be ordained to the gospel ministry. Brother Buckner was ordained at Camp Creek, Brother Hicks at the Chase Baptist Church.

February 23, 1969 at the request of Mt. Pleasant Baptist Church (R) the committee was called together for the purpose of questioning brother Thomas Sisk.

The committee recommended Brother Sisk for ordination and the service was held March 2, 1969 at the Mt. Pleasant Church.

SOUTH MOUNTAIN BAPTIST CAMP 1969 SESSION

Your camp continues to be a channel through which God is making deep and lasting impressions on thousands of young people and their leaders. 210 more G.A.'s and R.A.'s attended camps at South Mountain than last year. The G.A. attendance was 1097, R.A. was 513, and other groups were 666, making a total of 2276 for the summer. Hundreds drove in for special services. The staff is included in the attendance.

918 responded to the challenge of the gospel, 154 of these were professions of faith, and 38 were volunteers for special service.

The new $25,000.00 swimming pool was a very popular area of the camp twice a day. Many campers said, "It is almost unbelievable to have such a nice big swimming pool here in the mountains." It would have been impossible had it not been for much free labor. The approximate cost of the pool was $16,000.00 Our indebtedness on the pool is $8,500.00. The total indebtedness on the camp now is $13,000.00.

Your camp can take care of over 200 weekly. The cost for 4 days was $9.00 and the cost for 5 days was $11.00.

We have color slides, 8mm, and 16mm film telling the camp story. We would like to have the opportunity to send a team to put on a program about your camp in 100 churches during the next six months.

More churches each year recognize the unique service that we render and put the camp in their budget. This is necessary for capital needs such as the pool, the road etc.

Our receipts through fees, store, mission offerings, and crafts was over $19,000 which was deposited into the general camp fund. We received $15,000 for operational fund. A complete financial statement will be available.

Please pray for us. Bring your young people to camp. Put us in your budget. We would like to pay off our debt by 1971.

Respectfully submitted,
C. D. English

STATE MISSIONS REPORT

The over all purpose of State Missions is to lead people to Jesus Christ and help develop the churches. New churches are given counsel and financial assistance upon request, and when the current budget will permit. Churches that are unable to support a full time program are encouraged to form a field of two or more churches in order to have a pastor live on the field, minister to them, and lead them to develop their own resources.

State Missions provides training for Christian vocation through Fruitland Bible Institute and an ever growing number of Seminary Extension Centers. In a new ministry State Missions is ministering to thousands of people in Resort areas. State Missions reaches into our inner cities with needed Baptist Centers; into our military areas with help through the local churches and specialized ministries. There is limited Chaplaincy ministry in correctional institutions. There is a thriving ministry to the deaf. There is a helpful ministry to other races. Help is given the churches in their own stewardship programs. State Missions offers help in the training of deacons, Sunday School leaders and teachers, and Brotherhood leaders. Many other services which can be extended by the Convention to the local churches are given at the request of the pastor or other recognized leadership.

The ministry of State Missions is a cooperative one. It is usually given in cooperation with the local church. An attempt is made to always work in co-operation with the local Baptist Association. A majority of our Associations are given financial aid through State Missions. Some State Missions projects are a cooperative financial effort of the Baptist State Convention, the Association, and the Home Mission Board.

Your State Missions ministry is supported by cooperative program receipts and the special September offering for State Missions.

the mark in our concepts. Stewardship means **responsibility** — responsibility in all areas of life. We are stewards or trustees of our time, our talents and our abilities. The Christian attitude is that we are responsible beings and must one day give account to our Maker for all that God provides.

The worship of God with tithes and offerings through our churches provides a way for expressing our gratitude for His blessings.

Those of us who are privileged to leadership are dedicated to teaching and training in the Biblical doctrine of stewardship and try to give our very best to this ministry.

In June our Associational Stewardship Committee had Brother Carroll to mail each church copies of several church budgets along with other budget helps in hope that they were helpful to some of our churches as they planned their financial program for another year.

We had an Associational Stewardship Workshop at the First Baptist Church of Forest City in July. Rev. Harold White and Rev. Tom Greene of our State leadership led the conference.

Materials for informing our people are produced and distributed by the Department of Stewardship Development. R. T. Greene is Secretary and Mrs. Susan Cochran is office secretary.

Teaching and training in the Forward Program, Growth in Christian Stewardship and Simple Plans for Stewardship Development is the responsibility of Harold White and his associate, Cleve Wilkie. Mrs. Dorothy Smith is office secretary.

As dedicated Christian stewards, will you try to lead your church:

1. To use a stewardship program to help subscribe your own church budget.

2. To increase the percentage of the offering plate dollar given through the Cooperative Program.

SUNDAY SCHOOL REPORT

"The year of transition" (Preparing for the 70's) has been the theme of the work during the 1968-69 Sunday School year, and will continue during the 70's. The purpose of shaping the 70's is to have a deep conviction on the part of denominational leadership that the 70's need not be the shape of the 60's if the church performs her mission NOW! We must accept during the 70's better personal understandings of the gospel and apply these insights creatively in shaping every area of life in our revolutionary world.

The Associational Sunday School Officers have been learning something about preparing for changes in the Sunday School Work during the 70's. We plan to pass this information on to any church in the association where it is wanted.

The purpose is One of Improvement: Traditionally churches have been slow to improve their patterns of communication, methods, and

techniques. We ought not ever change our faith and practice. But in other areas improvement is desperately needed. We must improve our attitudes — attitudes about the mission of the church, her methods and organization. We must improve our habit patterns. Habits often become ruts; ruts become graves; and graves are for the dead, not the living. We must create a habit pattern of action. Jesus came both to DO and to Teach. A learning experience needs to end in action. A worship experience needs to end in action. And so this is the purpose of the 70's promotion plan.

The associational officers have been learning the "changes" suggested by our convention. We pray that all churches will realize that we must have a vision for the future. We must accept changes because we are living in a changing world.

One Associational Sunday School Meeting was held this past year at Floyd's Creek Baptist Chucrh. Brother Sam Hargett and other laymen had charge of the meeting and it was most inspiring to hear these laymen tell of the need to witness — the joy of witnessing — and to demonstrate some of the ways to witness.

Rev. Billy M. Holland

ASSOCIATIONAL W.M.U. REPORT

Simplicity and flexibility have been the key words in this year of "Changes and Choices" in Woman's Missionary Union. Local churches have adapted well to the changes, and we feel we have a renewed interest in and a greater challenge to the work. Instead of 'going around in circles' (as Mr. Carroll says) the ladies choose their **group** of **Study, Prayer** or **Mission Action.**

Directors report good work in Youth Organizations. Adaville Church entertained the Y.W.A. at tea Monday evening, February 10. "It's a Wide, Wide Y.W.A. World" was the theme, and the program, decorations, etc. were in keeping with this. Mrs. W. B. Roberson gave a most challenging talk. March 10, the Y.W.A. led in an Associational Prayer Retreat at Caroleen Church. G.A.'s enjoyed a Day of Retreat June 30, at Camp McCall. More than 100 girls and leaders relaxed and centered their thoughts on missions. Many girls from Sandy Run, were attendants at the New Camp Mundo Vista during the summer. Mrs. Alex Herring, Missionary from Tiwan, was the charming, inspiring speaker. The Sunbeam Day Camp was held July 26 at Mt. Pleasant (C) Church with sixteen churches represented and sixty-two children and adults attending. Miss Faye Tunmire, Missionary in the Philippines, was guest speaker and helper. Thirty-seven churches reported at least one Sunbeam Organization last year.

Floyd's Creek Church hosted the Fifty-Seventh Annual W.M.U. Meeting, April 24th. The theme, "Greater Love Hath No Man," was carried out in the music, worship and by featured speakers. The speakers were: Mrs. J. Frank Gilbreath, second vice-president of the State W.M.U.; Mrs. R. Gene Summey, the Yokefellow Center; Mrs. James T. Lachridge, Missionary in the Philippines. This challenging message inspired and presented needs and mission action activities related to the total church program. The registration was 212 representing 29 churches.

The Association was represented at the Metropolitan Missions Conference, Durham; State Convention, Charlotte; Various Ridgecrest Weeks; State W.M.U. Workshop, Hickory; Rural-Urban Workshop, Gardner Webb College; Mission Action Workshop, Camp Mundo Vista. There were 21 churches and 120 officers and leaders attended the Associational Leadership Conference at the First Church, Forest City, September 18th.

Respectfully submitted,
Mrs. J. E. Cargill,
W.M.U. Director

IN MEMORIAM

Milan H. Ingle
1908-1970

In memory of Milan H. Ingle we dedicate the 1970 Minutes of the Sandy Run Baptist Association.

Brother Ingle became pastor of the Westside Baptist Church in Forest City, his only pastorate, May 3, 1945, and led the congregation to relocate on South Church Street in 1963 and to change its name to Crestview Baptist Church. He served the Church until his death on January 23, 1970, almost 25 years.

He was a great and good man, a humble and faithful servant of God. He believed the Bible was God's divine, inspired word of truth and preached it with power and conviction.

Constitution

Article I - Name

This body shall be known as the Sandy Run Baptist Association.

Article II - Membership

Sec. 1. The Association shall be composed of Baptist Churches of Rutherford County, Cleveland County and Polk County which are now members, and any other Baptist churches which may hereafter be admitted as provided.

Sec. 2. Each church shall be entitled to be represented by her pastor and two representatives. Any church with more than fifty members shall be entitled to a messenger for each additional fifty members or fraction thereof.

Sec. 3. New churches may be admitted by a majority vote of messengers present after careful examination and found to be regular in their organization, orthodox in their doctrine, and supporting objects of the Association, State, and Southern Baptist Conventions. Churches are to be accepted under the watchcare of the Association for a period of one year in order that the above may be determined.

Sec. 4. The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice, or that fails to represent itself either by messenger or letter, for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

Sec. 5. Any church may withdraw from the Association at its pleasure.

Sec. 6. In case of internal dissention in a church and two parties coming up to the Association, each claiming to represent the church neither party shall be seated as messengers until the question is decided as to which party is the church in union with the Association. The decision is made by a majority of messengers present.

Article III - Objects

The objects of the Association shall be to devise and promote measures for increasing the harmony, intelligence, and spiritual power of the churches and to direct, promote, and develop their energies in advancing the Redeemer's Kingdom throughout the earth, more especially along the lines recommended and adopted by the Southern Baptist Convention the State Baptist Convention, and the Association itself.

Article IV - Meetings

Sec. 1. The Association shall meet in annual session on Tuesday and Wednesday after the fourth Sunday in October of each year. The Moderator shall call the body to meet in extra session if necessity shall arise.

BAPTIST HOMES FOR THE AGING

How much do we really care for our beloved elderly people of North Carolina: David once prayed that he not be cast off in his old age, and that he might have support when his strength failed him.

The more we give the more God blesses, none can deny. And we are thankful to God for His blessings bestowed upon us, and also, we are thankful to our people, who have been very generous in their giving.

Because you care and give, we now have five Homes for the Aging here in North Carolina. These Homes are: Resthaven, the Hayes Home, and Nursing Care Unit, in Winston Salem; the Albermarle Home, in Albemarle; the Hamilton Home, in Hamilton; and the Yanceyville Home in Yanceyville. The Homes are ministering to 195 dear elderly people.

An appeal was sent out before our offering in February. This appeal was heard and met. There was an alarming deficit in the operation of the Homes as prices increased. The churches gave $169,349.34, from July 1, 1969 through June 30, 1970. This offering exceeded all other offerings through the years.

In the Sandy Run Association, we had thirty-seven churches giving a total of $2,578.03 from July 1, 1969 through June 30, 1970. There are twenty seven churches here that did not report any gift to the Homes.

Let us all urge our churches to give more this year. It is urgently needed as the cost of living keeps going up. More room is needed to take adequate care of our beloved elderly people. Surely, we care and want to give? We also thank God, for those who minister to these elderly people.

Respectfully submitted,
Clarence Bobbitt

CHRISTIAN LIFE AND PUBLIC AFFAIRS

During the past year, many materials on applied Christianity have been made available to Baptists in Sandy Run Association through articles provided by the Christian Life Commission of Southern Baptist Convention and published in the Biblical Recorder and other Southern Baptist Agency publications. Ten new titles in the "Issues and Answer" series on subjects of abortion; black power; civil disobedience; drugs; extremism; guaranteed income; totalitarianism; urban crisis; violence; and law, order and justice have been written and are available through the Commission literature program. Ten additional pamphlets in this Series will soon be available on the following subjects: aging; capital punishment; consumer credit; generation gap; open housing; polution; population explosion; revolution; sex education; and taxation. The Commission has already some 70 tracts in print, for helping churches emphasize the practical dimensions of the Christian faith. We urge you to make use of this excellent material by securing copies on the subjects most relevant to the need of your church and community.

Your committee chairman attended the Commission's National Conference on extremism, authentic Christian morality, drugs and Christianity and sexuality. Tapes and printed materials from this conference are also available for church or individual use.

Your committee urges you to be aware of the growing drug traffic in our area and to seek to educate your youth so that they will not become involved. The pamphlet mentioned above on drugs is excellent.

All these issues, on which materials are available, should be matters of concern to Christians if we truly apply Jesus's teachings to daily living and we urge you to be aware and concerned about them. Be concerned enough to use your Christian influence to guide your families and to assist your church and community in developing Christian morality, private and public, which will substantially undergird our total Southern Baptist witness for Christ.

Mrs. James F. Marchman

BIBLICAL RECORDER

More than ever before, North Carolina Baptist need a dependable source of information. It is difficult these days to get an honest and accurate report on important issues.

In some cases, half truths and rumors are circulated, some of them designed to embarrass and ridicule Baptists. Since it takes so long for truth to catch up with error, some of these impressions in people's minds are never corrected. This makes progress and unity more difficult.

For 137 years, North Carolina Baptists have had the BIBLICAL RECORDER as a dependable source of information. Week by week it goes into the homes of nearly 90,000 families, striving to speak the truth in love.

In the past year, the RECORDER was pleased to have had a part in the election of Dr. Carl Bates of Charlotte as president of the Southern Baptist Convention. A RECORDER editorial endorsing him was considered a factor in his election on the first ballot at Denver. It is an honor to have the convention president from our state. This is just one example of the influence the RECORDER has had in the past year.

Looking to the future, the RECORDER promises to continue its fight against liquor by the drink, even in the face of strong opposition from those who are pushing for a greater flow of liquor in our state. If your church is not sending the RECORDER to every home, try doing this for the coming year so your members can receive the full story on the 1971 General Assembly.

Your church would not think of trying to carry out its mission without literature devoted to the Sunday School, Church Training, WMU, Brotherhood and all other church organizations. The RECORDER is just as important and should be in the budget just as this literature is. The cost is only 4¢ a week, a penny less than a post card. Your church is the loser by not taking this step. Won't you do it this coming year?

Respectfully submitted,
Thomas Gossett

FOREIGN MISSIONS

Foreign Missions were born in the heart of God - "For God so loved the world...," commanded by the risen Christ - "Go ye therefore...," and taught by precept and example in the Bible - "Ye shall be witnesses unto me...."

To reaffirm its strong commitment to the task of world missions, some effort was made by this committee through the media of spoken and written announcements to emphasize Foreign Mission Day, the Week of Prayer for Foreign Missions and the Lottie Moon Christmas Offering.

Dr. Baker J. Cauthen stated, "The call for 5,000 missionaries is a summons to prayer-prayer for resources to grow in order that a new thrust in worldwide evangelization may occur. A new horizon in foreign missions can never be attained apart from growth at the home base in evangelism, church extension, Christian education, theological training, and every aspect of church development."

If each Baptist in our association cared to be "where the action is," he would find ways to accept the challenge of "the forward thrust of Christian witness to the ends of the earth" as expressed so committedly by Missionary J. Howard Teel of Pakistan's East Wing. Mr. Teel declared, "In American churches and religious literature much is being said about Christian social concern and social action. Very gradually Baptist churches are developing a theology and practice of Christian social action to encompass the whole of man and his society. As the foreign missionary tries to minister to the spiritually poor by helping to strengthen churches and by preaching the gospel, he becomes increasingly burdened for physical, social, and economic poverty. In telling of our work missionaries have always illustrated vividly back home that one cannot convey Christ's love effectively to persons who are too hungry to think, too sick to wonder about tomorrow, or too weary to care. Christianity rests upon social service. Evangelism and Christian social action must be united in winning and redeeming the whole man."

Mrs. J.D. Cooley

BROTHERHOOD

As we come to the close of our Church year, I want to thank all of the Brotherhood Officers for a job well done. We accomplished some of our goals, but I feel there is much more that needs to be done.

Our Brotherhood Workshop at the Sandy Mush Church on October 1st was a rewarding experience, with many of our churches represented.

A special "Thanks" to Rev. Ed Bullock and his fine staff for all they did to make this a success.

Our Prison Mission work at the Spindale Prison was a rewarding experience, I'm sure we will never forget.

A special "Thanks" to the Brotherhood of the First Church of Forest City for their mission work at the prison.

To Rev. Van Carroll, I'll always be grateful for the help he gave me. What could we have done without him being our pillow to lean on?

May God bless each one of you as we work to accomplish more in the coming year. Let us pray for our new officers as they undertake the important job to make our Associational Brotherhood a mission minded organization for all men.

Respectfully submitted,
Ben F. West, Director
Associational Brotherhood

ASSOCIATIONAL W. M. U.

Sandy Run W.M.U. has entered the '70's reaffirming faith in the gospel truths and expressing these truths in our ministry and living.

Training and preparation for "Shaping the '70's has claimed much time. The Director and W.M.S. Director attended a two-day training session in Ashville in January. February an Associational Clinic was held - Miss Bernice Popham leading the W.M.U. Conference. This conference had the largest attendance of any of the church organizations with 30 churches represented. Four Council members attended the Church Leadership Conference in Charlotte, April 2. On April 18 four Council members went to the Mission Action Workshop in Greensboro. Associational leaders were 100 per cent attending the State Workshop August 28-29 at Camp Mundo Vista. Leadership Training for local officers was given September 14 and 17 at Florence Church. There were 137 enrolled, 24 churches represented and 82 completed the courses.

Responding to a request from the Associational Missionary, the W.M.S. solicited

funds and purchased 50 Baptist Hymnals for the New Zion Baptist Church, Spindale.

G.A. work has been particularly progressive. Two new organizations were formed, Cane Creek and First Broad. In November a Mission Study Institute was held for Intermediates and Juniors. A Drug Abuse Program was given to the Intermediates in March. The Juniors enjoyed a Day Camp in May. The G.A. Council has met quarterly.

Camp Mundo Vista has been one of our concentrations. The pilgrimage to the Camp in June was most enjoyable. We have donated 20 lamps, a farm bell (in honor of our G.A.'s) and quite a bit of cash. Many girls and some ladies have enjoyed camp benefits this year. "Operation Pay-Off" reports are incomplete.

The Week of Prayer for Associational Missions included a special meeting August 24, at Florence Church. Mr. Jimmy Cooley, who had done summer work with the State Convention in Pilot Mtn. Association, brought a challenging message as to how we could minister in our Association.

Our W.M.U. is Distinguished again this year, and we face the '70's with optimism and an unchanging purpose-even though there have been organization changes.

Respectfully submitted,
Mrs. J.E. Cargill, W.M.U. Director

HOME MISSION

The Home Mission Board is observing its 125th anniversary year with gratitude to God for his favor and appreciation to Southern Baptist for their support during the past century and a quarter. The board's mission task remains unchanged - Our Land for Christ.

Southern Baptist Churches reported 368,225 baptisms for 1969, of which 69,359 were reported through the Home Mission Board. In spite of the lack of adequate funds, new missions and new churches were reported.

Missionaries are needed badly and the Home Mission board appointed 585 new missionaries, bringing the total number of missionaries to 2,235; yet there is a great need for more missionaries now.

The Home Mission Board has done much to supply needed printed materials for spreading the Word. Among these printed materials is the HOME MISSION magazine, which all Pastors and mission leaders in the churches should read.

May I thank the churches of our Sandy Run Baptist Association for their support to Home Missions and challenge and encourage you to lengthen the arm of the Home Mission Board with greater and more adequate support through your Home Mission Offerings.

Respectfully submitted,
Robert F. Toney

BAPTIST HOSPITAL

Our Baptist Hospital continues to grow. Completed physical growth are the new power plant, the School of Nursing, Allied Health Building and additions to the Medical School.

There is continued growth in the quality of patient care provided. There is improved equipment in the heart diagnostic center; the department of nuclear medicine continues to make progress in the diagnosis and treatment of some of our most dreaded diseases; the stroke center renders valuable service in the study and treatment of strokes and brain tumors.

Changes in admission procedures have been made necessary by the financial crisis the hospital faces. When a doctor reserves a bed for a patient the admissions office contacts the patient to obtain the needed information, including the type and

amount of his hospital insurance coverage. After estimating the hospital bill and determining the amount of insurance coverage, the patient is notified of the differance which he is expected to bring when he enters the hospital. An effort is made to counsel with all patients who need financial aid and assist them in getting help.

The heart of the hospital's ministry has been to care for the needy sick and last year it ministered to 5,225 Service Patients for 47,499 days of hospital care. Free care amounted to more than a million dollars. North Carolina Baptists provided $565,000 of this amount - $237,000 through the Cooperative Program and $328,000 through the Mother's Day Offering.

Fifty-four churches in the Sandy Run Association contributed $6,592.15 through the Mother's Day Offering. Eight churches failed to give anything. Thirty-three churches increased their giving this year through our Mother's Day Offering making it a larger offering than the year before. The need is still great. Thank you for your increased giving.

Respectfully submitted,
Tyler A. LeRoy

STATE MISSIONS

The over all purpose of State Missions is to lead people to Jesus Christ and help develop the churches. New churches are given counsel and financial assistance upon request, and when the current budget will permit. Churches that are unable to support a full time program are encouraged to form a field of two or more churches in order to have a pastor live on the field, minister to them, and lead them to develop their own resources.

State Missions provides training for Christian vocation through Fruitland Bible Institute and an ever growing number of Seminary Extension Centers. In a new ministry State Missions is ministering to thousands of people in Resort areas. State Missions reaches into our inner cities with needed Baptist Centers; into our military areas with help through the local churches and specialized ministries. There is limited Chaplaincy ministry in correctional institutions. There is a thriving ministry to the deaf. There is a helpful ministry to other races. Help is given the churches in their own stewardship programs. State Missions offers help in the training of deacons, Sunday School leaders and teachers, and Brotherhood leaders. Many other services which can be extended by the Convention to the local churches are given at the request of the pastor or other recognized leadership.

The ministry of State Missions is a cooperative one. It is usually given in cooperation with the local church. An attempt is made to always work in cooperation with the local Baptist Association. A majority of our Associations are given financial aid through State Missions. Some State Missions projects are a cooperative financial effort of the Baptist State Convention, the Association, and the Home Mission Board.

Your State Missions ministry is supported by cooperative program receipts and the special September offering for State Missions.

Respectfully submitted,
James Yelton

MUSIC MINISTRY

For the past year a number of those ministers of music who are in full time and part time service have led in music schools through-out our Association. This year we felt it to be more effective to have individual leaders participate in the whole association. It has been very rewarding to see all our churches grow in the area of music.

A good number of choirs from our Association participated in the Regional Music Festival at Spencer Baptist Church, February 26, 1970.

Our ministers of music were helpful in providing music for the various meetings of our Association, church organization, Sunday School, W.M.U. Brotherhood, Training Union, etc.

Association Music

SOUTH MOUNTAIN BAPTIST CAMP

The Lord blessed in a wonderful way at the South Mountain Baptist Camp again this year. The attendance was good with a record breaking attendance the last of the summer. The last week 269 attended and 30 had to be turned away. 1,634 RA's and GA's attended this past summer. In addition, 657 came to Day Camps or over night retreats, making a total of 2,291 in attendance. Also, 19 churches went for picnics and to swim in the pool. 175 from our Sandy Run Association attended Camps there this past summer.

The program included mission study, missionaries, worship, study of RA and GA work. The campers also enjoyed good eats, swimming, fishing, horseback riding, softball, horseshoe, ping pong, badminton, frisby, and crafts.

940 decisions for Christ were made, 162 of them professing faith in Christ, and 17 made decisions for special service. A week at South Mountain Camp is filled with many unforgetable experiences. Many campers went home to be a blessing to their church and community. Some churches immediately sent donations to the Camp, and others placed the Camp in their budget.

The Camp staff presented a program about the Camp in a number of churches during the summer. They would like to do more of this.

Next January the Camp director will be employed full time by the Camp and will be available for interim pastoral work. The Executive Committee has voted to build a caretaker's home in the near future. Also, nearly $2,000 is in sight for a beautiful chapel. Here is a real opportunity for our churches, industry, and individuals to really invest in boys and girls.

Pray for our Camp and remember it with your financial support.

Respectfully submitted,
Claude English, Camp Comm. Chm.

STEWARDSHIP

Stewardship deals with the WHOLE of life. Every individual will have to render an account of his life to God. The Master said, "Seek ye first the kingdom of God, and all these things shall be added (given) unto you." There is only life to live, and God expects that it shall be lived for His glory.

We cannot worship God unless we willingly worship God with all of life. Our experience with the Holy Spirit in conversion, our salvation in Christ Jesus, and our dedication to a life of service in the Lord, will determine our giving of money to the ministry of preaching, teaching, healing, and evangelism, for a lost world of people. Jesus teaches that a man's attitude to the Kingdom of God is revealed by his attitude to his property.

The only right way to promote the work of the Kingdom of God through the churches of our Association, is with tithes and offerings. Every Christian should bring the tithe to the storehouse. "Bring ye all the tithe into the storehouse." Then, we are told "Upon the first day of the week let each one of you lay by him in store as he may prosper, that no collections be made when I come." I Cor. 16:2. Unconsecrated wealth of Christians is the greatest hindrance to the Church's progress.

Baptist Churches work together in a great spirit of co-operation. We have the Co-operative Program through which our churches support a world mission program. This is the best way that churches have ever had for the preaching of the Gospel to a lost world. Through the Cooperative Program our churches support the whole program of our Baptist work in our world.

On July 28, a Stewardship Conference was held at the Florence Baptist Church. Rev. E.C. Wilkie led in this Conference. Stewardship instructions were given and stewardship tracts were distributed. Your Stewardship Committee urges all the churches in the Sandy Run Association to promote a stewardship program, and seek to enlist every member in tithing, and honouring God with his income through the church. Too, we earnestly urge all our churches in our Association to support the Cooperative Program. There is strength in unity, but we do not get very much done alone.

Jesus said, "All power is given unto me in heaven and in earth. Go ye therefore and teach all nations, baptizing them....., Teaching them to observe....." The greatest and most effective way that we have is through our Cooperative Program. We urge all churches in the Sandy Run Association to re-study their Stewardship Program, and increase their gifts through the Cooperative Program, thereby supporting all our causes for our Lord Christ.

C. Monroe Warren, Chmn.

COMMITTEE ON INTERRACIAL COOPERATION

There are a variety of attitudes toward an all inclusive ministry. Some churches seek enthusiastically to evangelize and witness to people of all races and cultures. Other refuse to allow their pastors to mention the need for better race relations in the community.

Our state Department of Interracial Cooperation has as its primary purpose the promotion of better relations and cooperation with National Baptists in North Carolina in their efforts to reach all people with the gospel of Christ.

Some progress is being made. 63 National Baptists, representing 17 of their 57 associations in North Carolina, attended our statewide Vacation Bible School Clinic at Wingate College last January. A Seminary Extension class enrolled 35 ministers in Rocky Mount last spring. 180 ministers were enrolled in classes in Shaw University during the year. Five conferences on human relations were held in various areas of the state. Two of these conferences were put on by the leaders in the New South River and Union Associations, assisted by our state Interracial Department.

Scholarship aid was provided 23 students in several institutions the past year. Also, during 1970 the department appointed 28 young people and adults who served as summer missionaries in various positions such as conducting Vacation Bible Schools that reached over 4,800 with 100 professions of faith, serving in Bible camps and youth groups in several places over the state.

There are five or six who serve in and with the department over the state giving assistance to work in addition to the Secretary.

CITY AND METROPOLITAN MISSIONS DEPARTMENT

The purpose of the City and Metropolitan Missions Department is to strengthen and assist churches in extending their missionary outreach.

During 1970 an Urban Seminar was held at Southeastern Seminary. A state-wide Metropolitan Missions Conference was held in Winston-Salem with great success. A

shopping Center ministry is being conducted in the Raleigh North Hills area. The Department has assisted 31 churches with Pastoral Assistance in the amount of $37,058. Also, the Department has assisted 16 churches, one in our Association, with Lot Aid gifts in the amount of 33,000.

The Department has helped in Christian Social Missions. It has assisted in Baptist Centers, Mission Centers, and modified Mission Centers in five cities in our state and helped with Directors of Youth and Family Services in four cities. Four Associational Christian Social Ministries programs have been assisted, and ten are needed in the state. It gives support to Literacy work, Migrant mission work in the eastern and western part of the state, and helps in Diaster Relief emergency situations.

Also, the Department assists churches and associations that are working with non-evangelicals and international students and their families.

Full-time employees in the work are Rev. and Mrs. L. Hood in the Raleigh Association; Rev. and Mrs. Marvin Southard in the Dan Valley Baptist Center; Rev. and Mrs. George Shore, Director of Christian Social Ministries in Winston-Salem; Rev. Boyce Kimball, Director of Youth and Family Services in Durham; and Mrs. Jerry Strickland, interim Director of Gaston Baptist Center in Gastonia. There are several part-time employees. Also, several work in Special Summer Projects. Among them was Mr. Jimmy Cooley from the Forest City First Church.

COMMITTEE ON ORDINATIONS

The Committee on Ordinations examined four men for the gospel ministry during this past year.

The committee met on Jan. 3 for the purpose of examining Brother Clarence Randolph for ordination and the following day the New Bethel Church proceeded with the service. The candidate had the distinction of not only being a member of the New Bethel Church but also to be called to service as pastor of this church.

On February 14, the committee met to examine Brother Boyce Gregory for the ministry. After questioning he was recommended to the church of which he was a member, the Goode's Creek, for ordination. On February 15 the church ordained him. He had been called to the Crestview Church.

On May 8 the committee was called together for the purpose of questioning Brother Joe Forbes. After examination, he was recommended to the Bethel Church for ordination. The ordination was held on May 17. Brother Forbes had been called to the Calvary Church.

On July 18, the committee met again. This time we examined Brother Earl Kelley. After proper questioning he was recommended to the Goode's Creek Church for ordination. The ordination took place on July 19. Brother Kelley was called to the Faith Church.

CHURCH LIBRARY

The year has been good for church libraries in our association. Many new ones have been set up and old ones revamped.

The Associational Librarian was able to attend the area conference in Asheville, on the Directions for the 70's.

There were nineteen director of library services secretaries present for the associational training clinic held at the First Baptist Church in Forest City in April.

The Associational Librarian was able to attend all of the Library Conference at Ridgecrest in June. One other director and one worker attended part of the conference.

The new name of our magazine is Media- Library Service Journal.
It is through our libraries that the best Christian literature is available.

Respectfully submitted,
Mrs. Emmett G. Hamrick, Assoc. Librarian

CHRISTIAN EDUCATION

In this report we are dealing with Christian higher education, the colleges and universities of our state and Southern Baptist Conventions.

Enrollment for special Christian service in our state and Southern Baptist schools last year were 7,070 young men and young women. 3,671 of these were ministerial students, 860 home and foreign mission volunteers, 610 education volunteers, 853 church mission volunteers, and 1,081 who have volunteered for some category of Christian vocational services.

The total enrollment last year in the schools in our state was as follows: Campbell College - 2,306; Chowan College - 1,333; Gardner-Webb College - 1,461; Mars Hill College - 1,294; Meredith College - 1,142; Wake Forest University - 3,210; and Wingate College - 1,607, making a total of 12,353 students. More than 600 of these have dedicated their lives to special Christian service.

We have a special interest in Gardner-Webb College because of its relationship and nearness to our association. It needs our interest and support in a special way in these days of transition from a junior to a senior college. The way is clear now for it to become a four year accredited college next spring.

Of the more than 1,500 students at Gardner-Webb this fall, there are 99 ministerial students, 14 mission volunteers, 15 church music, and 26 religious education. Gardner-Webb had more ministerial students as a three year college than any other Baptist college in our state last year.

To help ministerial students, Gardner-Webb gives a $200.00 scholarship to each full time student. Also, in cooperation with the churches in neighboring associations the College sponsors Ministerial Education Day when students go into churches that have invited them to participate in the services. In addition, a Pastoral Intern Program is being carried on in a few churches.

Pray for and give to Gardner-Webb. Remember this fine College on Baptist College Day next June 20.

Richard Spencer, Chm. of Comm.

ASSOCIATIONAL MISSIONARY'S

The past year seems like the closing of an era and the beginning of a new one. Frustrations have been great with the changes in all of our organizations and literature. However, we believe there is a great, future ahead.

The Associational WMU has done a admirable work. We take our hats off to these leaders. They have gone to clinics and workshops and have done an outstanding job in training the local church leaders.

We have great confidence that the new year is going to find us making progress in all our organizations. If we don't, there isn't much for us to do but to sing a dirge and hold requiem. But by God's grace we aren't going to let that happen.

The missionary's activities were as follows: He delivered 23 messages, taught Sunday School classes, visited in most of the churches and in at least 179 services, presented pictures 12 times, helped in a ten-day VBS, helped ordain six ministers, held 188 or more conferences and a few telephone conferences, mailed 12 issues of bulletins containing 8,716 copies and 8,356 letters and cards. Also, he attended 24 or

ASSOCIATIONAL FOUNDATION COMMITTEE

The North Carolina Baptist Foundation, Inc. has tripled its assets during the past eight years.

Since the Foundation was reactivated in 1966, assets have increased from $350,000 to more than one million dollars. This includes trust funds and real estate.

THE FOUNDATION advances the Kingdom of God in two major ways: by serving individuals and by serving Baptist agencies and institutions. This includes the Co-operative Program, Missions, Higher Education, the Baptist Hospital, and Baptist Home for the Aging.

Special emphasis are on making trusts and wills.

Many churches have used the facilities of the Foundation to conduct Will Clinics.

THE FOUNDATION also has an opportunity to counsel with many people concerning their own wills, and in some instances has provided the information and direction necessary for inclusion of Baptist causes in their will.

THE BAPTIST FOUNDATION has had a most successful year, is on the move, and is rendering service to individual Baptists in a concrete way.

NORTH CAROLINA BAPTIST CHILDREN'S HOMES

Under the leadership of the Holy Spirit through the teaching of Christ, North Carolina Baptists, eighty-five years ago, launched a Christian ministry of child care. This has grown considerably and is widely recognized for its qualities of service and pioneering spirit. Sons and daughters of the Children's Homes are scattered throughout the world. They are actively engaged in all walks of life and are making a significant contribution to the uplift of mankind as a result of their early Christian training.

Our child care program, through a variety of quality services, is recognized as a family service agency. This is made possible by well trained and professional staff who provide leadership for group care programs, foster home care, family services, consultation with churches in preschool programs and planning for higher education of children who have been in care. This program unfolds on six campuses and through the work of regional casework centers throughout the state.

Friends of the Children's Homes, in Western North Carolina, have responded generously to the Founders and Builders Program to raise funds with which to establish the Broyhill Home to serve children in Western North Carolina. Sufficient funds have been given and pledged to purchase the land, to prepare the site and to construct the first two buildings. Two cottages for children are now under construction and are

scheduled to be ready for use next spring. When the campus has been completed provision will have been made for four cottages for children, and administration building and a home for the superintendent.

The contribution of our Baptist people through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the preparation of wills.

EVANGELISM

As we come to the close of another associational year, we bow our heads in gratitude for what God has accomplished through our humble efforts. We gratefully thank him for the souls that have been won to him during this year.

Many things go to make up Evangelism: praying, witnessing, visitation, Preaching, music, and instructions for living are just to mention a few. Our churches must put forth a special effort to train our members as to their part in evangelism.

In associational evangelism a strong emphasis was placed upon: Shaping the 70's through Evangelism, Strength for Living Revivals, and Youth Evangelism. Some of our churches across the state experienced outstanding revivals as a result of dependence upon the Holy Spirit, genuine prayer, careful planning and involvement of adults and youth in witnessing.

As we look forward to another year there are important things planned in the field of Evangelism. The Statewide Evangelism Conference will be held at War Memorial Auditorium and Greensboro Coliseum on February 1-2, 1971. The closing session will be a Youth Evangelism Night in Greensboro Coliseum with Dr. Leighton Ford of the Billy Graham Association as the featured speaker.

Many of our churches have made progress in the field of Evangelism during the year. Let us also stress the fact that the need is still great in our individual churches and our association for the growth in Evangelism. Evangelism is the heart beat of God's work. If we follow the New Testament teaching we must endeavor to put evangelism in the foreground. To let Jesus Christ work through us to evangelize the world is our greatest privilege as a Christian.

Let me challenge you to stress the part of the individual as a personal witness in winning this generation to Christ.

AMERICAN BIBLE SOCIETY

Last year the American Bible Society distributed more than 50,000,000 Bibles, Testaments, portions, and selections in the U.S.

If this were all the Society accomplished it would have been a great ministry. But there is more.

And Southern Baptist through the contributions of individual churches have helped make possible this "more." Other ministries are:

A five-volume Braille edition of the New Testament in Today's English Version is produced for the blind.

Two out of every three men and women serving in the Armed Forces received on request a free copy of Scripture as a gift.

Requests for GOOD NEWS FOR MODERN MAN, the New Testament in Today's

English Version, continue unabated - with the total printing nearing 20 million. One large order from Texas Baptists a year ago required 25 railroad cars for delivery.

Efforts were made not only to distribute the Bible, but also to encourage its reading through programs such as Worldwide Bible Reading (from Thanksgiving to Christmas).

Translation of the Bible continued. By last year at least one book of the Bible has been published in 1,392 languages or dialects.

Almost fifty percent of the total World Service Budget of the United Bible Societies was supplied by the American Bible Society. These are funds for world needs outside the U.S.

Southern Baptists have contributed to the work of the American Bible Society; they have also profited from the Society (ministry in countries overseas where we have mission work, and in the U.S.)

No task in the world is more important than reaching every man with the printed Word of God. The American Bible Society is well equipped to do the job. But, it needs and calls for the dedicated help and support of millions of Americans whose gifts will undergird its mission and message.
